Custodian	Edwin Scott Smith

Employees Under Civil Service

Director of Public Assistance	Olive L. Williams
Social Worker	Edith Burson
Jr. Clerk & Typist	Florence M. Hancock
Plumbing Inspector	Courteny N. Chase
Assistant Plumbing Inspector	Francis J. Hibbert

Report of the Board of Selectmen

The Board of Selectmen organized for the year 1964 as follows: Milton H. Welt, Chairman; Ralph U. Brett, Chairman of the Assessors; Douglas Rockwood, Chairman of Board of Health and Welfare. Ralph U. Brett was elected Clerk of all boards.

Action was taken on Articles listed in the 1964 Meeting:

Hearings were held on road layouts for Mother Goose Lane, West Harwich; Wheaton Way and Laurie Lane, Harwich Port; Louis Way, West Harwich; Meadowbrook Lane, Harwich Port; and a survey was made of West Gate Road in North Harwich.

The Selectmen will recommend the acceptance of Louis Way and Meadowbrook Lane at the 1965 Town Meeting.

Orders of taking were prepared and recorded and entries made on Harold Street, Third Street, Fourth Street, Seventh Street, Pleasant Valley Road and a portion of Oak Street north of Queen Anne Road.

A contract was let by the State Department of Public Works under Chapter 90 for reconstruction of Depot Road, South Harwich to Reynolds Brothers Equipment Corp. of Canton, Mass. and has been substantially completed. Reimbursement by the County and State under the Chapter 90 Program has been received to date in the amount of \$57,908.25

Land in West Harwich was purchased from Roger Cahooon, Sr. for a future Fire Station as voted under Article 36, and other land acquisition articles are in the process of completion; such as land for a future Fire Station in East Harwich under Article 37; and the Charles D. Holmes Memorial Forest in South Harwich voted under Article 49. The Selectmen will submit an article for the preparation of plan for an additional Town Forest in North Harwich north of the Mid-Cape Highway.

Land for the improvement of the Town Beach at Long Pond was purchased from Louis Fernandes under Articles 51 and 52, and funds will be requested in 1965 to extend the parking area at that location.

Under Article 69, the Selectmen were instructed to prepare a plan of beach land at Shore Road owned by the Town and to present the plan to the Land Court for approval. The plan has been prepared, but the Selectmen will defer further action until after the 1965 Town Meeting.

The parking problem at our Town beaches becomes more acute with each new Season and action should be taken soon to remedy the situation. We must acquire more land or tighten our parking restrictions even further. As it stands, our own Townspeople are finding it increasingly difficult to find parking spaces at their favorite bathing spots, while residents of streets leading to the water are concerned because of congested parking conditions.

One of Cape Cod's most famous landmarks—The Exchange Building—was taken down by vote of the town in 1964. The Selectmen awarded the contract for the demolition to Parkman Equipment Corp. of Dorchester, Mass. in their low bid of \$16,800.00. The work was observed with a great deal of interest by many of our citizens, and we feel that this company did an efficient job with a difficult assignment. Articles calling for future use of the site of the building will be considered at the 1965 Town Meeting.

Hearings were held during the year with the Finance Committee, Planning Board, Board of Water Commissioners and Sewerage Committee in regard to the report of Camp, Dresser and McKee, Sanitary Engineers of Boston, on their study and recommendations for a sewage system for the Town. This report was published in the Cape Cod Standard Times in its entirety. The Sewerage Committee will insert articles in the Warrant for consideration in 1965, which will seek to acquire the land described in the Camp, Dresser & McKee's report as most suitable.

The Board has continued to receive excellent cooperation from all Town Departments, Boards and Committees during 1964.

In closing, we wish to thank them for this cooperation in behalf of the Town.

Respectfully submitted,

MILTON H. WELT, Chairman
RALPH U. BRETT
DOUGLAS ROCKWOOD

Selectmen of Harwich

Report of the Board of Assessors

The Board of Assessors have visited and placed carefully considered values for Tax purposes on each property completed as of January 1st, 1964 and also those that were in process of development on that date.

New values were also placed on all subdivision land where plans were submitted. The rapid increase in building in our Town and the rise in values has made the work of assessing greater than ever before and 1965 will present even more of a problem (You will note in the report of the Building Inspector that 300 permits were issued in 1964—the largest number in our history).

This year the Assessors have placed an article in the Warrant requesting an appropriation of \$33,000.00 in order to have a professional job of tax equalization done on all land and buildings in the Town. Our present values—the result of the judgment of many boards over the past years under varying conditions and circumstances are not in all cases either fair or just today.

The Board feels that it is urgent at this time for the good of the whole Town to have a thorough professional equalization job done which will provide a sound basis for assessing values for the coming years. Such a method of accomplishing this would assure every taxpayer of an unbiased and truly fair result.

The State law requires that all property be assessed at full and fair cash value—but before the Assessors can fully comply with the letter of this law the first step will have to be an equalization of values or the problem will be compounded.

In 1963 the Legislature passed a bill allowing a tax exemption of up to \$4,000 on real estate to people over 70 years of age who comply with certain requirements. In Harwich this had the effect of reducing our Tax income by \$22,821.97 during 1964.

An amendment passed in 1964 liberalized the law slightly. We regret to report however that the Legislature did not see fit to provide the Towns with any offsetting income.

Valuation of the Town December 31, 1964	\$19,577,141.00

 MILTON H. WELT
 DOUGLAS ROCKWOOD
 Assessors of Harwich

Report of the Finance Committee

The Finance Committee met on 23 nights preceding the 1964 Annual Town Meeting. The budget and 112 Articles in the Warrant were considered and voted on. During the year the Committee met at various times and approved twelve Transfers from the Reserve Fund. These Transfers exhausted the Reserve Fund of \$12,000.00. The nature and amount of each Transfer appears in the Town Accountant's report.

Following the Annual Town Meeting Col. Wm. Marion found it necessary to resign from the Committee because of ill health and the pressure of business. We sincerely regret the loss of his valuable services and leadership in the Committee.

The Committee reorganized on April 6th. Edwin M. Partridge was elected Chairman and John C. Nicodemus Secretary. The decision was made to meet a minimum of once a month during the remainder of the year beginning in June.

In July a joint meeting was held with all appointed and elected officials of the Town at which they were asked to give us their budgets for 1965 by October first or as soon thereafter as possible. The purpose was to allow adequate time for study and to avoid hurried decisions in the short period between the first of the year and the deadline for sending the budgets to the printer.

The response to this request was excellent and the Committee thanks all concerned for their cooperation. We especially thank the Town Accountant and the Selectmen for their help and advice in carrying out our work.

Respectfully submitted,

EDWIN M. PARTRIDGE, Chairman
WILLIAM R. MARION (Resigned)
JOHN C. COOMBS
JOHN C. NICODEMUS
RALPH B. CUMMINGS
G. WILSON SMITH

CHARLES E. CHAMBERLAIN, JR.

TOWN OF HARWICH ANNUAL TOWN MEETING WARRANT

MARCH 1, 1965

THE COMMONWEALTH OF MASSACHUSETTS
BARNSTABLE, SS:

To either of the Constables of the Town of Harwich in
said County, Greeting:

In the name of the Commonwealth of Massachusetts you
are hereby directed to notify and warn the inhabitants of
said Town qualified to vote in elections and Town affairs to
meet in the new High School Gymnasium, Oak Street, in said
Town on Monday, March 1, 1965 at 11 A. M., then and there
to act on Article 1 and afterwards on the following day, Tues-
day, March 2, 1965 at 7:30 P. M. to meet in the new High School
Gymnasium, Oak Street, and to act on the remaining articles.

Polls will be open at 11 A. M. and will close at 7:00 P. M.

Article 1. To choose on one ballot the following Town Of-
ficers and Committees: Moderator for one year, one Select-
man, Overseer of Public Welfare and Board of Health for
three years; one Assessor for three years; one Town Clerk for
three years; one Town Treasurer for three years; one Collec-
tor of Taxes for three years; one School Committee member
for three years; one Park Commissioner for three years; one
Water Commissioner for three years; one Cemetery Commis-
sioner for three years; one Trustee Brooks Free Library for
three years; one Planning Board member for five years; one
Recreation Commissioner for five years; three Constables for
three years.

To vote on the following questions:

Question No. 1:

Shall the Town pay one-half the premium costs payable by
a retired employee for Group Life Insurance and for Group
General or blanket Hospital, Surgical and Medical Insurance?

Question No. 2:

Shall the Selectmen of the Town be requested to approve the
adoption of a petition filed in the General Court, which seeks

to create a Commission to be known as the Cape Cod Planning and Economic Development Commission, and provides that the County Commissioners may appropriate not more than Fifty Thousand Dollars (\$50,000.00) annually for this purpose?

Article 2. To choose all other Town Officers and Committees.

Article 3. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1965 and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of the General Laws.

Article 4. To hear the reports of all Town Officers and Committees for the year of 1964.

Article 5. To see if the Town will vote to fix the salaries of the Elected Officials of the Town for the calendar year 1965 as follows:

Selectmen (three)	\$3,097 each
Assessors (three)	\$3,097 each
Board of Public Welfare (three)	\$318 each
Moderator	\$150
Town Clerk, Treasurer and Collector of Taxes	\$5,700
Surveyor of Highways	\$5,750
Tree Warden	\$1,000
School Committee (five)	\$300 each
Water Commissioners (three)	\$400 each
Constables (three)	\$50 each

and to act fully thereon.

Article 6. To see if the Town will vote to ratify an emergency classification of Supervisor of Disposal Area which, pursuant to the authority vested in the Personnel Board under Part VIII, Section 2, of the Personnel By-Law, was added by the Personnel Board at a meeting on April 1, 1964, effective as of that date, to the "Classification and Compensation Plan" contained in the Appendix of the Personnel By-Law, as amended, upon the recommendation of and after consultation with the Board of Selectmen. Such classification shall be designated as 0.8, with a minimum rate of pay of \$1.90 per hour, step-rate increases of \$.07 per hour and a maximum rate of \$2.25 per hour, with overtime at the rate of time and one-half for hours worked in excess of 40 hours per week and to act fully thereon. By request of and authorized by the Personnel Board.

Article 7. To see if the Town will vote to raise and appropriate such sums of money as may be required to defray Town charges for the calendar year of 1965 and to act fully thereon. (See Budget).

Article 8. To see if the Town will vote to raise and appropriate a sufficient sum of money to purchase one(1) new Police Cruiser and equipment, and to authorize the Selectmen to trade the 1963 Cruiser now owned by the Town, the sum received from the said trade to be used toward the purchase of the new Cruiser, and to act fully thereon. By request of the Chief of Police.

Article 9. To see if the Town will vote to raise and appropriate a sufficient sum of money to purchase one (1) new Police Cruiser and equipment, and to authorize the Selectmen to trade the 1964 Cruiser now owned by the Town, the sum received from the said trade to be used toward the purchase of the new Cruiser, and to act fully thereon. By request of the Chief of Police.

Article 10. To see if the Town will vote to see that all bicycles ridden at night have a light on the front, a horn or bell on the handlebars and a reflector on the rear fender. That all bicycles are inspected and registered with a small license plate issued by the Police Department once a year, and to act fully thereon. By request of Kenneth W. Porter and others.

Article 11. To see if the Town will accept the provisions of Sec. 11A Chap. 85 of the Gen. Laws Ter. Ed. Chap. 710 of the Acts of 1941 relative to the registration and operation of bicycles, and to act fully thereon. By request of the Chief of Police.

Article 12. To see if the Town will vote to amend the By-Laws with the following addition: "All artificially constructed swimming pools when not in normal use for a period exceeding fourteen days shall be covered, or fenced in, or other suitable barrier erected, to a minimum height of four feet to prevent accidental drownings or other mishaps. Failure to comply shall be subject to a twenty dollar fine for each offense," and to act fully thereon. By request of the Harwich Junior Chamber of Commerce.

Article 13. To see if the Town will vote to raise and appropriate the sum of Two Thousand, Four Hundred Dollars (\$2,400.00) to purchase a new Station Wagon and equipment for the Fire Department, and to authorize the Selectmen to trade the 1961 Station Wagon now owned by the Town, the

sum from said trade to be used toward the purchase of the new vehicle, and to act fully thereon. By request of the Fire Chief.

Article 14. To see if the Town will vote to raise and appropriate the sum of Twenty Seven Thousand Dollars (\$27,000.00) for the purpose of purchasing a new thousand-gallon per minute Pumper to replace the 1941 Pumper now in service. The 1941 Pumper to be kept by the Fire Department as a reserve Pumper and Hose Wagon, and to act fully thereon. By request of the Fire Chief.

Article 15. To see if the Town will vote to raise and appropriate a sufficient sum of money to draw plans and specifications for a new Fire Station to be located on Depot Road, West Harwich, said plans and specifications to be prepared under the supervision of the Fire Chief and the Board of Selectmen, and to act fully thereon. By request of the Fire Chief.

Article 16. To see if the Town will vote to raise and appropriate the sum of Seventy-Five Hundred Dollars (\$7,500.00) to be used with whatever State and County funds are available for Chapter 90, Road Construction, and to act fully thereon. Customary Article.

Article 17. To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000.00) to be used with whatever State and County funds are available for Chapter 90, Highway Maintenance, and to act fully thereon. Customary Article.

Article 18. To see if the Town will vote to authorize the Selectmen, on behalf of the Town, to purchase or to take by eminent domain for drainage purposes the fee in a parcel of land at Station 24 as shown on the Engineer's Map of Depot Road, South Harwich, containing about 7,500 square feet of land, and supposed to be owned by Abbie F. Gould, which land is bounded and described as follows: Westerly by Depot Road, seventy-five and 00/100 (75:00) feet; Northerly by land now or formerly of Abbie F. Gould, one hundred and 00/100 (100:00) feet; Easterly by land now or formerly of Abbie F. Gould, seventy-five and 00/100 (75.00) feet; and Southerly by land now or formerly of Abbie F. Gould, one hundred and 00/000 (100:00) feet, and for this purpose to raise and appropriate, or take from available funds in the Treasury, a sum of money for said land, and to act fully thereon. By request of the Board of Selectmen.

Article 19. To see if the Town will vote to raise and appropriate the sum of Ten Thousand, Five Hundred Dollars (\$10,500.00) and to authorize the Highway Surveyor to purchase and equip a new Road Sweeper and to trade in a 1962 Massey Ferguson Sweeper now owned by the Town. The sum received from said trade to be used toward purchase of the new Sweeper, and to act fully thereon. By request of the Highway Surveyor.

Article 20. To see if the Town will vote to raise and appropriate the sum of Seven Thousand, Five Hundred Dollars (\$7,500.00) and to authorize the Highway Surveyor to purchase and equip a new Dump Truck and to trade in a 1953 Dump Truck now owned by the Town. The sum received from said trade to be used toward purchase of the new Truck, and to act fully thereon. By request of the Highway Surveyor.

Article 21. To see if the Town will vote to raise and appropriate the sum of Three Thousand, Nine Hundred Twenty-Five Dollars (\$3,925.00) and to authorize the Highway Surveyor to purchase and equip a new vehicle and to trade in a 1959 Chevrolet three-quarter ton Pickup now owned by the Town. The sum received from said trade to be used toward the purchase of the new vehicle, and to act fully thereon. By request of the Highway Surveyor.

Article 22. To see if the Town will vote to raise and appropriate the sum of One Thousand, Nine Hundred Dollars (\$1,900.00) and to authorize the Highway Surveyor to purchase and equip a new Sandbox Spreader for the purpose of honing and seal-coating and to trade in a Sandbox Spreader now owned by the Town. The sum received from said trade to be used toward purchase of the new Sandbox Spreader, and to act fully thereon. By request of the Highway Surveyor.

Article 23. To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars (\$4,000.00) to be used to purchase repairs and parts for vehicles now owned by the Town of Harwich Highway Department, and to act fully thereon. By request of the Highway Surveyor.

Article 24. To see if the Town will vote to accept the layouts of Meadowbrook Lane in Harwich Port and Louis Way in West Harwich, as reported and recommended by the Selectmen under date of January 29, 1965 and to authorize the Selectmen to purchase or take by eminent domain the land or interest in the land within said layouts and to raise and appropriate the sum of Three Hundred and Fifty Dollars (\$350.00) for this purpose and to act fully thereon. By request of the Board of Selectmen.

Article 25. To see if the Town will instruct the Selectmen to lay out Oak Street, Harwich Center, a Town Way, from the end of the present 40-foot layout north to Queen Anne Road to a width of 50 feet and to raise and appropriate a sufficient sum of money for this purpose, and to act fully thereon. By request of the Board of Selectmen.

Article 26. To see if the Town will vote to instruct the Selectmen to lay out Tody Bole Lane leading southerly from Main Street, and Beriah Brooks Road leading from Tody Bole Lane to Lovers Lane, Harwich, and to act fully thereon. By request of Lodge D. Staubach and others.

Article 27. To see if the Town will vote to instruct the Selectmen to lay out Gordon Road, West Harwich, leading southerly and easterly from Lower County Road to Earle Road, and to act fully thereon. By request of Roger W. Cahoon and others.

Article 28. To see if the Town will vote to instruct the Selectmen to lay out Skipper's Drive, Harwich, located on the northerly side of Long Road, and to act fully thereon. By request of Robert A. Peterson and others.

Article 29. To see if the Town will vote to instruct the Selectmen to lay out Brooks Lane as a Town road westerly about 300 feet from Brooks Road to a turnaround and to raise and appropriate a sufficient sum of money for this purpose, and to act fully thereon. By request of Hugh H. Monaghan and others.

Article 30. To see if the Town will vote to instruct the Selectmen to lay out Surrey Lane, Harwich, leading southerly from Long Road to a turnaround, and to act fully thereon. By request of Richard H. Hathaway and others.

Article 31. To see if the Town will vote to instruct the Selectmen to lay out the following as Town roads: Heather Road approximately 800 feet westerly from Depot Road, South Harwich; Kent Road approximately 500 feet southerly from Heather Road to a turnaround; Sterling Road approximately 900 feet northerly and easterly with a turnaround at each end, off Heather Road; and to raise and appropriate a sufficient sum of money for this purpose, and to act fully thereon. By request of William A. Dalzell, Jr. and others.

Article 32. To see if the Town will vote to change the name of "Lovers Lane" to "Homestead Lane" in Harwich, and to act fully thereon. By request of Arthur W. Leavitt and others.

Article 33. To see if the Town will vote to raise and appropriate a sufficient sum of money to construct a narrow low-cost type of bituminous concrete sidewalk along one side of Lower County Road from Pleasant Road to Brooks Road, and to act fully thereon. By request of Joseph M. Hegarty and others.

Article 34. To see if the Town will vote to raise and appropriate a sufficient sum of money to define and re-surface Depot Road, East Harwich, between Route 39 and Queen Anne Road, and to act fully thereon. By request of the Board of Selectmen.

Article 35. To see if the Town will vote to raise and appropriate the sum of Eighteen Thousand, Seven Hundred Dollars (\$18,700.00) for the purpose of hard-topping and improving the following roads: Pilgrim Road, Sea Street, Pleasant Street, Snow Inn Road and Freeman Street, Harwich Port, and to act fully thereon. By request of the Highway Surveyor.

Article 36. To see if the Town will vote to raise and appropriate the sum of Nine Thousand Dollars (\$9,000.00) for the purpose of hard-topping and improving Neel Road, South Harwich, and to act fully thereon. By request of the Highway Surveyor.

Article 37. To see if the Town will vote to raise and appropriate a sufficient sum of money to hard-top and improve Colonial Way, a Town Way, from Route 28 to a dead end, a distance of approximately 600 feet, and to act fully thereon. By request of George W. Brady and others.

Article 38. To see if the Town will vote to raise and appropriate a sufficient sum of money for the purpose of hard-topping and improving the following roads: Oak Street, Pleasant Lake, from Long Pond Drive westerly through Third Street; Third Street from Oak Street through Pleasant Valley Road; Pleasant Valley Road to Seventh Street; Fourth Street from Oak Street to Pleasant Valley Road; and Seventh Street from Long Pond Drive to a turnaround, and to act fully thereon. By request of Norwood W. Bee and others.

Article 39. To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand, Two Hundred Seventy-Five Dollars (\$13,275.00) for the purpose of hard-topping and improving the following roads: Oak Street, Fourth Street, Third Street, Pleasant Valley Road and Seventh Street, Pleasant Lake, and to act fully thereon. By request of the Highway Surveyor.

Article 40. To see if the Town will vote to transfer the sum of Nineteen Thousand, Nine Hundred Fifty-Nine Dollars and Twenty Two Cents (\$19,959.22) voted in Article 12 of the 1964 Annual Town Meeting under Chapter 782 of the Acts of 1962 for use on Oak Street to re-surface Uncle Venie's Road, South Harwich and a portion of Main Street, Harwich Center, and to act fully thereon. By request of the Board of Selectmen.

Article 41. To see if the Town will vote to raise and appropriate the sum of One Thousand, One Hundred and Sixty Dollars (\$1,160.00) for the installation of a Transmitter at the standpipe at Brooks Park, and a Receiver at the Fire Station, to record the water elevation at this tank on a 24 hour-per-day chart, and to act fully thereon. By request of the Board of Water Commissioners and the Fire Chief.

Article 42. To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000.00) to be used for the purpose of making test wells, and to act fully thereon. By request of the Board of Water Commissioners.

Article 43. To see if the Town will vote to raise and appropriate a sufficient sum of money to be used by the Board of Water Commissioners for installing water mains on town-accepted roads, and to act fully thereon. By request of the Board of Water Commissioners.

Article 44. To see if the Town will vote to raise and appropriate a sufficient sum of money to install a water main on Buck's Pond Road to Clearwater Drive and westerly on Clearwater Drive approximately 240 feet and easterly off Buck's Pond Road on Rainbow Way approximately 550 feet, and to act fully thereon. By request of Arnold F. Tronstad, Kenneth W. Porter and others.

Article 45. To see if the Town will vote to raise and appropriate a sufficient sum of money to install a water main on Fresh Water Drive from Route 39 to Lot No. 70 and Clearwater Drive from Lot No. 70 to Lot No. 140 according to a plan recorded at Barnstable (Land Court Plan 27224A, Certificate of Title ss721), and to act fully thereon. By request of Elmer R. Hauck and others.

Article 46. To see if the Town will vote to raise and appropriate a sufficient sum of money to install a water main on a private way off Kelly Street to the Residence of Manuel Santos, and to act fully thereon. By request of John R. S. Handren and others.

Article 47. To see if the Town will vote to raise and appropriate a sufficient sum of money to install a water main on Little Lane, a private way off Orleans Road, Route 39, a distance of approximately 640 feet, and to act fully thereon. By request of Harold J. Moye and others.

Article 48. To see if the Town will vote to raise and appropriate a sufficient sum of money to install a water main on Cemetery Road in East Harwich, from Church Street in a westerly direction approximately 350 feet, to the residence of Ruth Harden, and to act fully thereon. By request of Robert E. Johnson and others.

Article 49. To see if the Town will vote to raise and appropriate a sufficient sum of money to extend the water main on Queen Anne Road in an easterly direction approximately 2200 feet to the residence of Carl E. Lincoln, and to act fully thereon. By request of Carl E. Lincoln and others.

Article 50. To see if the Town will vote to raise and appropriate a sufficient sum of money to extend the water main southerly along Surrey Lane, a private way in Harwich, a distance of about 700 feet, providing there is a 10% return guaranteed on the amount of money expended therefor, and to act fully thereon. By request of Richard H. Hathaway and others.

Article 51. To see if the Town will vote to raise and appropriate a sufficient sum of money to extend the water main on Bay Road from Church Street in a westerly direction approximately 1,085 feet, and on Williamsburg Avenue a distance of 1,965 feet, and on Fredericksburg Avenue a distance of 1,033 feet and on Vicksburg Avenue a distance of 1,038 feet, according to a subdivision plan of this area, providing there is a six percent (6%) return guaranteed on the amount expended therefor, and to act fully thereon. By request of Robert B. Our and others.

Article 52. To see if the Town will vote to raise and appropriate a sufficient sum of money to extend the water main on Julien Circle west from Sequatucket Avenue to the residence of William Doe, and to act fully thereon. By request of William F. Downey and others.

Article 53. To see if the Town will vote to raise and appropriate a sufficient sum of money to extend the water main on Kendrick Road, from Roger Munsey's residence to Route 28, East Harwich, to supply water to the Wequassett Inn and others, and to act fully thereon. By request of Edwin W. Dybing and others.

Article 54. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) to be spent under the direction of the Selectmen for necessary surveys and title work in preparation of an Article to be submitted at the next Annual Town Meeting to purchase or take by eminent domain, for a Town Forest, the land or interests in the land in North Harwich bounded and described as follows: northerly by the Town of Brewster; westerly by the Town of Dennis; southerly by the access road parallel to the Mid-Cape Highway; and easterly by West Gate Road, so-called, and to act fully thereon. By request of the Board of Selectmen.

Article 55. To see if the Town will vote to raise and appropriate the sum of Seventy Five Hundred Dollars (\$7,500.00) for the purpose of relocating and extending jetties where necessary and improving town-owned beach adjoining Pleasant Road beach, West Harwich. Said beach is shown on Land Court Plan #5265B, lots 36 and 37, and to act fully thereon. By request of Robert R. Larkin and others.

Article 56. To see if the Town will vote to instruct the Selectmen to apply to the County Commissioners and the Commonwealth of Massachusetts for financial assistance for the purpose of improving town-owned beach at West Harwich as shown on Land Court Plan #5265B, lots 36 and 37, and to act fully thereon. By request of Robert R. Larkin and others.

Article 57. To see if the Town will vote to instruct the Selectmen to deed to the Commonwealth of Massachusetts, for the sum of One Dollar (\$1.00), town-owned beach adjoining Pleasant Road beach, West Harwich. Said beach is shown on Land Court Plan #5265B, lots 36 and 37, and to act fully thereon. By request of Robert R. Larkin and others.

Article 58. To see if the Town will assume the liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516 and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers, and streams, harbors, tidewaters, foreshores and shores along a public beach outside of Boston Harbor, including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth. Customary article.

Article 59. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to be added to the Harbor and Channel Dredging Reserve as defined in Article 52, as adopted by the regular 1963 Town Meeting, and to act fully thereon. By request of the Waterways and Beach Committee.

Article 60. To see if the Town will vote to raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) to be used separately or in conjunction with any other funds that may be obtained to be used for the purpose of dredging Wychmere Harbor to a depth of at least six (6) feet throughout, and to act fully thereon. By request of the Waterways and Beach Committee.

Article 61. To see if the Town will vote to purchase or take by eminent domain the following described parcel of land bounded and described as follows: easterly by land now of the Town of Harwich at the Allen Harbor Town Landing about 200 feet; southerly by Allen Harbor about 80 feet; westerly by land owned by Allen Harbor Marine Service about 200 feet; northerly by Lower County Road, a County Way, about 80 feet, and being land shown on Assessor's Map as being owned by Allen Harbor Properties, Inc., said parcel to be used for expanding facilities of the Allen Harbor Town Landing, and to raise and appropriate the sum of Seven Thousand, Five Hundred Dollars (\$7,500.00) for the purpose of this Article, and to act fully thereon. By request of the Waterways and Beach Committee.

Article 62. To see if the Town will vote to change the name of the Waterways and Beach Study Committee to the Waterways Committee, said Waterways Committee to be appointed by the Selectmen and to consist of ten citizens of the Town of Harwich who shall serve without compensation, as such, and who shall be appointed annually, and to act fully thereon. By request of the Waterways and Beach Study Committee.

Article 63. To see if the Town will vote to authorize the Selectmen to appoint a committee of five (5) Harwich residents to serve without compensation, as such, to serve as a Beach Committee. Members of the Committee to be appointed annually. It shall be the function of this Committee to study, plan and bring in recommendations to Town Meetings for the acquisition, development, protection and improvement of public beaches in the Town. One member of this Committee, as designated by its Chairman, shall serve ex-officio as a member of the Waterways Committee; and to raise and appropriate the sum of Five Hundred Dollars

(\$500.00) to cover the costs of such surveys and reports the Committee may prepare, and to act fully thereon. By request of the Waterways and Beach Committee.

Article 64. To see if the Town will vote to authorize the Board of Health to re-oil the parking lots at the Town-owned beaches, to re-paint the parking lines and to raise and appropriate a sum of money for this purpose, and to act fully thereon. By request of the Board of Health.

Article 65. To see if the Town will vote to instruct the Board of Health to amend the specifications for a Comfort Station for Red River Beach, South Harwich, as voted under Article 75 of the 1964 Town Meeting, and to act fully thereon. By request of the Board of Health.

Article 66. To see if the Town will vote to build a vertical Board Fence at the east boundary of the Earle Road Beach Parking Lot and to raise and appropriate the sum of Six Hundred Dollars (\$600.00) for this purpose, and to act fully thereon. By request of the Board of Selectmen.

Article 67. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars (\$400.00) for the purpose of leasing a parcel of beach land from Douglas P. Allison which abuts the Town-owned land at the foot of Bank Street, according to a plan on file with the Town Clerk, for the months of June, July, August and September, 1965, and to act fully thereon. By request of the Board of Selectmen.

Article 68. To see if the Town will vote to raise and appropriate or take from available funds the sum of Two Thousand, Seven Hundred Dollars (\$2,700.00) for the improvement of land for parking purposes belonging to the Town and adjoining the Town Beach on the south side of Long Pond, and to act fully thereon. By request of the Board of Selectmen.

Article 69. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) for the transplanting of Quahaug seed in Pleasant Bay; this money to be used in conjunction with a like amount from the Town of Chatham as a joint project, and to act fully thereon. By request of the Shellfish Committee and the Board of Selectmen.

Article 70. To see if the Town will vote to re-dedicate the Brooks Academy Building from the School Committee to the control of the Selectmen, and to act fully thereon. By request of the Board of Selectmen.

Article 71. To see if the Town will vote to turn over to the Harwich Junior Theater the following items formerly used by the Junior Theater in the Exchange Building: stage materials, folding chairs, gas board, wooden stair grille, two pianos, and to act fully thereon. By request of the Board of Selectmen.

Article 72. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Thirty Three Thousand Dollars (\$33,000.00) to be spent under the direction of the Board of Assessors for professional equalization of valuations of land and buildings in the Town of Harwich, and to act fully thereon. By request of the Board of Assessors.

Article 73. To see if the Town will vote to expend the refunded Dog Tax for the support of Brooks Free Library, and to act fully thereon. By request of the Trustees of Brooks Free Library.

Article 74. To see if the Town will vote to instruct the Selectmen to disperse the funds allocated by the State under the Acts of 1960 as amended by the Acts of 1963, Chapter 672 for aid to the Harwich Libraries, in accordance with the customary procedure, and to act fully thereon. By request of the Trustees of Brooks Free Library.

Article 75. To see if the Town will vote to sell to the Harwich Historical Society for the sum of One Dollar (\$1.00) the gray flagstone which was formerly located in the sidewalk on the south side of the Harwich Exchange Building and contains the following inscription: "This flagstone, personally obtained from a street in the old borough of Harwich, England, was presented as a namesake souvenir to the Town of Harwich, Mass. in 1907 by Charles M. Robbins of Attleboro, Mass., a native son of this Town.", and to act fully thereon. By request of Helen R. Drake and others.

Article 76. To see if the Town will vote to sell to the Harwich Historical Society for the sum of One Dollar (\$1.00), the Bronze Plaque which was formerly located in the second floor lobby of the Harwich Exchange Building and contains the following inscription: "Exchange Property, Gift of Caleb Chase to the Town of Harwich, Christmas 1903; Building erected by Chester Snow of Harwich, 1885; 'We live in deeds, not years; in thoughts, not breaths; in feelings, not in figures on a dial.'", and to act fully thereon. By request of Helen R. Drake and others.

Article 77. To see if the Town will vote to accept and adopt the provisions of Chapter 478 of the Acts of 1963 relative to increasing the amounts of pensions and retirement allowances payable to certain former public employees, and to act fully thereon. By request of the Board of Selectmen.

Article 78. To see if the Town will vote to accept and adopt the provisions of Chapter 486 of the Acts of 1964 relative to increasing the amounts of pensions and retirement allowances payable to certain former public employees, and to act fully thereon. By request of the Board of Selectmen.

Article 79. To see if the Town will vote to raise and appropriate the sum of Twelve Hundred Dollars (\$1,200.00) to be expended under the direction of the Selectmen for recreation and amusement in the form of Baseball and Basketball. The above sum to be expended for equipment, insurance and referees in the operation of the Harwich Athletic Association Baseball and Basketball teams, and to act fully thereon. By request of the Harwich Athletic Association.

Article 80. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Dollars (\$700.00) for the purpose of buying new Christmas decorations for the Town of Harwich and for installing, maintaining and removing present Christmas lights along the main business sections of the Town. Money to be spent under the direction of the Harwich Junior Chamber of Commerce, and to act fully thereon. By request of the Harwich Jaycees and others.

Article 81. To see if the Town will vote to raise and appropriate the sum of Fifteen Hundred Dollars (\$1,500.00) for the purpose of advertising and promotion in the Town of Harwich, to be spent by the Harwich Chamber of Commerce, providing the said Chamber of Commerce raises a like amount, and to act fully thereon. By request of Donald E. Hall and others.

Article 82. To see if the Town will vote to adopt the provisions of the Massachusetts General Laws, Chapter 40, Sections 42G, 42H and 42I, which provide for assessing the cost of extending the water system in public and private ways, not presently so supplied, against the owners of land which abuts such ways, provided the voters in the Town of Harwich at a regular or special Town Meeting, at which such extensions may lawfully be considered, shall have voted to raise and appropriate the money necessary for the purpose, in accordance with the provisions of Chapter 80 of the Massachusetts General Laws, and to act fully thereon. By request of Silvanus Smith and others.

Article 83. To see if the Town will vote to adopt the provisions of the Massachusetts General Laws, Chapter 80, in its entirety, which provides for assessing the land abutters the cost of laying out and constructing all new roads, as well as the acceptance, building and surfacing of any existing private roads, when petitioned by land owners abutting; provided the voters in the Town of Harwich, at a regular or special Town Meeting at which such road improvements may be considered, shall have voted to raise and appropriate the money necessary for the purpose, in accordance with the provisions of Chapter 80 of the Massachusetts General Laws, and to act fully thereon. By request of Silvanus Smith and others.

Article 84. To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000.00) to be used under the direction of the Planning Board for the purpose of initiating a Comprehensive Planning Program for the Town, and to act fully thereon. By request of the Planning Board.

Article 85. To see if the Town will vote to authorize the Board of Health and the Planning Board, acting as one committee, to engage professional engineering services and to make recommendations as to the best and most practical method of the disposition of municipal refuse, including the designation of land for the purpose, and to raise and appropriate the sum of Two Thousand, Five Hundred Dollars (\$2,500.00) for this purpose, and to act fully thereon. By request of the Planning Board and the Board of Health.

Article 86. To see if the Town will vote to instruct the Finance Committee to show their numerical vote for and against an article in the Town Warrant, with their recommendation, and to act fully thereon. By request of Harold R. Carr and others.

Article 87. To see if the Town will vote to authorize the Selectmen to contract for easing the corner of Main Street and Pleasant Lake Avenue, Harwich Center, to help the flow of traffic and to raise and appropriate the sum of One Thousand, Five Hundred Dollars (\$1,500.00) for this work, and to act fully thereon. By request of the Board of Selectmen.

Article 88. To see if the Town will vote to place the Exchange Building lot under the jurisdiction of the Park Department and request that they hold public hearings on the use of this land, and to act fully thereon. By request of the Harwich Women's Club.

Article 89. To see if the Town will vote to accept the gift of the old Bank and Telephone Building, moved to the Town land in Harwich Center, at the corner of Main Street and Pleasant Lake Avenue, and placed upon a proper cellar. It is hoped the inside walls may be used as an Art Gallery, and the entire building for the particular but not exclusive use of retired men of Harwich, and to act fully thereon. By request of Annie M. Nickerson and others.

Article 90. To see if the Town will vote to raise and appropriate the sum of Twelve Hundred Dollars (\$1,200.00) for the purpose of making the site of Exchange Hall into a park, this to cover bringing in of the needed top-soil, making a lawn, planting evergreen shrubbery and three or four good shade trees, installing benches and the stone from Harwich, England, at present imbedded in sidewalk in front of this property; for the benefit of ALL the inhabitants of Harwich, and to provide a welcome scene of greenery for tourists approaching or leaving the Town at this point, inviting them to linger awhile; such park to be known as Exchange Park, and to act fully thereon. By request of the Garden Club of Harwich and others.

Article 91. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to design and construct on the former site of the Exchange Building in Harwich Center a park and parking space to accommodate approximately twenty cars, and to authorize the Selectmen to contract for the same and expend said sum for said purpose. The design of this area to be decided upon by a committee appointed by the Moderator, consisting of one member from each of the following groups: The Garden Club, The Harwich Women's Club, The Junior Women's Club, The Historical Society, The Twenty Links Club, The Harwich Chamber of Commerce and The Harwich Junior Chamber of Commerce. Completed plan to be presented to the Selectmen by May 1st, 1965, and to act fully thereon. By request of Roberta Holmes and others.

Article 92. To see if the Town will vote to transfer the three-quarter ton truck being traded by the Highway Department, to the Cemetery Commission, and to appropriate a sufficient sum to the Highway Department to cover the trade-in-allowance, and to act fully thereon. By request of the Cemetery Commission.

Article 93. To see if the Town will vote to demolish the old "Hearse House," so called, on Sisson Road, and raise and appropriate a sufficient sum for this purpose, and to act fully thereon. By request of the Cemetery Commission.

Article 94. To see if the Town will vote to authorize the Selectmen on behalf of the Town to purchase or take by eminent domain a parcel of land containing 120 acres, more or less, on the south side of Queen Anne Road in the Town of Harwich, bounded and described as follows: Beginning at a point at the Northwest corner of the premises at the northerly boundary line of the Power Company right of way, as shown on plan hereinafter mentioned; thence running easterly fourteen hundred seventy-five (1,475) feet; more or less to a point at the westerly sideline of the Town-owned gravel pit; thence turning and running southerly by the westerly sideline of the Town-owned gravel pit, six hundred twenty-five (625) feet, more or less, to a point on the northerly sideline of a way, as shown on said plan; thence turning and running southeasterly, a distance of four hundred and six (406) feet, more or less, to a point also at the northerly boundary of the way, as shown on said plan; thence turning and running northerly by the Easterly sideline of the Town-owned gravel pit, a distance of nine hundred seventy (970) feet, more or less to a point; thence turning and running easterly three thousand four hundred thirty eight (3,438) feet, more or less, to a point at the westerly sideline of the right of way of the New York, New Haven and Hartford Railroad, as shown on said plan; thence turning and running southwesterly by the westerly sideline of the New York, New Haven and Hartford Railroad, by various courses as shown on said plan, a distance of eighteen hundred (1800) feet, more or less to a point; thence turning and running in a westerly direction, a distance of two thousand (2000) feet, more or less, to a point westerly of the westerly sideline of a way, as shown on said plan; thence turning and running northwesterly, a distance of five hundred and sixty (560) feet, more or less to a point; thence turning and running westerly, a distance of six hundred ninety feet (690), more or less, to a point at the easterly boundary line of the Power Company right of way, as shown on said plan; thence turning and running northwesterly, a distance of one thousand one hundred and twenty-five (1,125) feet by the easterly boundary of the aforementioned Power Company right of way to a point; thence turning and running northwesterly by the Northeasterly boundary of the Power Company right of way, a distance of six hundred eighty-seven (687) feet, more or less, to the point of beginning. The above premises being shown on a plan of land entitled "Town of Harwich, Massachusetts, Report on Sewerage and Sewage Disposal, Proposed Sewage Stabilization Ponds and Filter Beds, Camp, Dresser & McKee, Consulting Engineers, Boston, Mass. Scale 1 inch = 500 feet, July, 1964", said parcel of land to be used for a

sewage treatment plan as outlined in the report submitted by Camp, Dresser & McKee, and to raise and appropriate a sufficient sum of money for this purpose, and to act fully thereon. By request of the Sewerage Committee.

Article 95. To see if the Town will vote to authorize the Selectmen to file, in behalf of the Town, an application (in form and manner required by the United States and in conformity with Public Law 560 of the 83rd Congress) and do whatever else may be required to obtain an advance made by the United States to the Town of Harwich, to defray the cost of contract drawings and specifications for construction of sewerage facilities for the Town of Harwich and to act fully thereon. By request of the Sewerage Committee.

Article 96. To see if the Town will vote to raise and appropriate the sum of three hundred dollars (\$300.00) for the purpose of purchasing miscellaneous signs, and to act fully thereon. By request of the Board of Selectmen.

Article 97. To see what action the Town will take in regard to the Herring Fisheries for the year of 1965, and to act fully thereon. By request of the Board of Selectmen.

Article 98. To see if the Town will vote to raise and appropriate a sufficient sum of money for unpaid bills of previous years as provided for in Chapter 179 of the Acts of 1941, and to act fully thereon. Customary article.

Article 99. To see if the Town will vote to transfer the unexpended balances of the special appropriations to surplus revenue, and to act fully thereon. Customary Article.

Article 100. To see if the Town will vote to transfer from surplus revenue or available funds a sum of money for the purpose of reducing the 1965 tax rate, and to act fully thereon. Customary article.

Hereof fail not and make returns of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this eleventh day of January, 1965.

Report of the Board of Health

We hereby submit our annual report to the citizens of the Town of Harwich.

The Board approved and granted the following licenses and permits for the year 1964:

Common Victuallers	37
Lodging House	45
Cleaning Cesspools	4
Bowling Alleys	11
Massage & Physiotherapy	1
Manufacture Frozen Dessert	2
Inn Holders	9
Cabins & Motels	22
Rubbish Collection	2
Junk Collectors	2
Junk Dealers	9
Bakeries	2
Sewerage Disposal Permits (Issued through the Building & Sanitary Inspector)	275
Water Supplies Tested (These were conducted by the Barnstable County Health Dept.)	4
Complaints received & investigated	26
Contagious diseases reported to the Board:	
Measles	1
German Measles	1
Mumps	2

The Barnstable County Public Health Association, Inc. with the cooperation of the Barnstable County Health Department and the local Board of Health are planning a mobile X-Ray program in the Town during April or May of 1965. It will be available and free of charge to all townspeople. The date that this unit will be in our Town to conduct this service will be announced in the local paper.

Diphtheria shots were given to the students in the first and fifth grades under the supervision of Dr. D'Elia and Miss Adelyn Peabody, the school nurse.

There were five premature baby cases reported to the Board by the hospital. The Board approved requests for financial aid on two of these cases under Chapter 753 of the

Acts of 1955, General Laws, which states that premature infants weighing five (5) pounds or less at birth, whose parents are unable to pay for their hospital care, may be considered eligible for financial assistance.

However, the cost of hospital care of a premature infant is the responsibility of the person or persons bound by law to maintain such infant, if he or they be able to pay.

In view of a report by the Barnstable County Health Department in regard to pollution in Herring River, caused by the Town Dump, the Board discontinued the disposal of cess-pool material at that location. Tests in the river will continue, and the Board of Health, in cooperation with the Planning Board, will sponsor an article in the 1965 Town Warrant for a study by a qualified sanitary engineer and recommendations for the best location and method for waste disposal for the Town.

We wish to take this opportunity to thank the members of the Barnstable County Health Department, Dr. D'Elia, our local health officer, and all others for their fine cooperation in assisting us to carry out our duties during the year of 1964.

Respectfully submitted,

DOUGLAS ROCKWOOD, Chairman
MILTON H. WELT
RALPH U. BRETT
Board of Health

Report of the Town Nurse

Honorable Board of Selectmen, Board of Health and Citizens of the Town of Harwich:

This is my Annual Report for 1964 which was a very busy one.

Total Field Visits	2,223
Total Fees Collected and turned over to Town Treasurer	\$1,169.50
Total OAA Visits	152
Total Free Visits	86
Total New Patients	50
Total ADC Visits	28
Total Conferences	10
Total miles travelled	9,093

Respectfully submitted,

GEORGIANNA F. SHATZER, R.N.
Town Nurse

Report of the Planning Board

To the Honorable Board of Selectmen and
Citizens of the Town of Harwich:

During the past year we have, with Legal counsel, reviewed the existing "Rules and Regulations governing the Subdivision of Land". In recent years the General Laws have changed and this review was necessary to determine how they should be altered. In the coming year it will be necessary to devote more time to this subject.

We held a large number of hearings on new subdivisions, and many plans that did not require hearings were reviewed.

The Board reviewed the Resolutions made at last year's Town meeting. In regard to the number of stories for a motel, we feel that the two stories are necessary to insure flexibility in design. The Resolution to cover the extension of Business Zone for Pleasant Lake Avenue is still pending and explained later in this report.

We met during the year with the Selectmen, Water Department, and Finance Committee, and have attended the Hearings of the Board of Appeals.

We are faced with many problems. First and foremost, is the relocation of the Town Disposal Area. Strip Zoning on Route 28 should be reviewed and a study of the entire area. In this same study, other business areas should be considered also, including Pleasant Lake Avenue. The increased lot sizes that were turned down by the Attorney General's office this year should be studied further in order to determine what locations and sizes should be recommended.

All of these problems, present and future, point to the fact that we do not have adequate available information to make intelligent recommendations. Our existing set of standards have provided protection to date, but need further study and modification in planning for the future.

It is our hope to have an article in the warrant which will enable us to have professional assistance, and to initiate a Comprehensive Planning Program. Such a program can be financed by the Federal government at two thirds of the cost. An approximate breakdown of what the study would include is as follows:

1. Inventory Surveys
2. Community Facilities

3. Circulation Studies
4. Utility Studies
5. Area of Influence Study
6. Future Land Use Plan
7. Effectuation Programs
 - a) Zoning By-Law
 - b) Subdivision Regulations
 - c) Official Map
 - d) Capital Budget

The program will include meetings with all the municipal departments and interested citizens as well.

The Board accepts with regret the retirement of Mr. C. W. Johnson, one of the original members of the Planning Board which was established in 1949. He has served faithfully through the years and has contributed much time and effort to make our town a better one to live in.

We wish to extend to the Selectmen and all other Town officials and citizens our appreciation for their cooperation during the year.

Expenses for year are as follows:

Appropriation		\$500.00
Legal Notices Protective By-Laws	\$126.50	
Notice of rejection by Attorney General		
of Article #76	12.08	
Subdivision Plans	70.58	209.16
Mass. State Federation Dues		30.00
Mass. Planning Law & Administration (5)		50.00
Expenses to Mass. Federation meeting,		
Planning Lectures and Cape Cod		
Planning Meeting	34.20	
Printing Letterheads	11.25	
Toll calls, Postage and general office supplies	31.27	
		\$365.88
Balance to Surplus		134.12
		\$500.00

				292

(d) Trips to various hospitals in Ambulance and Chief's Car:

Cape Cod Hospital	166
Barnstable County Hospital	22
Other Hospitals	19
Nursing Homes	14
	221
(e) Total acres of woodland burned	22.3
(f) Total acres of grassland burned	7.2
(g) Deaths attributed to fire	None
(h) Open air burning perimts issued	966
(i) Total number of Oil Inspections made	362
(j) Total number of Oil Permits issued	166

The demands of fire and emergency problems vary greatly with the increased growth of a community. The fire department in turn has to change and improve to meet the problems of the time. This coming year I am requesting that plans be initiated for the building of a sub-station in West Harwich. The community should continue the step by step program to increase our fire fighting facilities so that all citizens may have proper fire protection in their respective areas.

During the Month of July 1964 the Fire Rating Association made a study of fire protection facilities in the Town, and as a result of this study it was found that due to the age of one of our pumbers it would not pass the underwriters requirements, and would be recommended for replacement. This coming year I am also requesting this be done, so that the department could provide the Town protection necessary to suppress and control fire.

I wish to thank all the men of the department for co-operation and donation of time during the last year; to members and Chiefs of other Towns and to the Citizens of Harwich for their Cooperation.

Respectfully submitted,

CHARLES A. HALL

Chief of Department

Report of the Board of Appeals

To the Honorable Board of Selectmen
and Citizens of the Town of Harwich:

During the year 1964 the Board of Appeals received, heard and handed down decisions in forty-five cases on appeals which were filed under the provisions of Chapter 40A of the General Laws of Massachusetts and the Harwich Protective By-Law.

It was with regret that the resignation of Donald E. Hall, a former chairman and member for several years, was accepted.

In November, Nahum E. Harden, a faithful and able member from East Harwich, suddenly passed away. Several days after his death, the Board in a regular meeting with a capacity attendance of Harwich citizens, paid tribute to the memory of Mr. Harden with bowed heads in a minute of silence.

Biddle R. Thompson, Jr. was appointed a regular member of the Board on November 30, 1964 to fill the vacancy caused by the death of Mr. Harden whose term would have expired in March 1968. Edward L. Winslow was appointed a regular member of the Board on November 30, 1964 to fill the vacancy caused by the resignation of Donald E. Hall whose term expired in March 1967.

Albert E. Wynot was appointed an Associate Member to fill the vacancy caused by Edward L. Winslow being appointed a regular member. His term expires in March 1965. This appointment was made December 1, 1964. George Vagenas was appointed an Associate Member on December 16, 1964 to fill the vacancy caused by Biddle R. Thompson, Jr. being appointed a regular member. His term expires in March 1969.

Respectfully submitted,

IRWIN W. ROHLFS, Chm.

Report of the Personnel Board

YEAR 1964

To the Honorable Selectmen and the
Citizens of the Town of Harwich:

The administration of the Personnel By-Law was carried on during 1964 without any serious difficulties.

Immediately following the adoption of the By - Law amendments at the 1964 Town Meeting, the job classifications, job numbers and step-rate position of each employee was reviewed in consultation with the respective Department Heads and all necessary revisions were made, including such pay adjustments as were required by the amendments.

During the year, step -rate increases were approved when recommended by the Department Head and justified in the opinion of the Board. The Board is emphasizing that step - rate increases are discretionary and must be based on demonstrated merit. To this end, the Board is insisting that the basis of each such increase be satisfactorily documented. The Department Heads are cooperating to this end.

When the Board of Selectmen decided to revert to town operation of the disposal area, it became necessary to reinstate the job in the Classification and Compensation Plan. On their recommendation an emergency classification - 0.8, Supervisor of Disposal Area - was established with a minimum rate of \$1.90 per hour, step - rate increases of \$.07 per hour, and a maximum of \$ 2.25 per hour. A 40 - hour week was also established. The job was filled by transfer from another Department. The Personnel Board has submitted an Article for inclusion in the 1965 Town Warrant, requesting ratification of this emergency action by the voters.

The Personnel Board has had occasion to make a few rulings, one clearly interpreting when hourly - rated employees are entitled to overtime pay at time - and - one - half rates.

The Chairman attended the Annual Meeting of the State Assn. of Personnel Boards of which the Town of Harwich is a member. The Association makes an annual survey of city and town pay scales and these are under study.

The revised Classification and Compensation Plan and the amendment regarding the method of applying step - rate increases to the plan, both as adopted by the voters at the 1964 Town Meeting, were reprinted in leaflet form for insertion in the By - Law booklet. Copies have been distributed to Department Heads and other employees. The leaflets are also available to the public at the Selectmen's office.

The Board is of the opinion that the By - Law is in reasonably good shape and operating with substantial fairness to both taxpayers and employees.

Respectfully submitted,

PHILIP V. R. THOMSON
J. W. MYERS
HENRY F. SMITH

Report of the Sewerage Study Committee

The engineering firm of Camp, Dresser and McKee provided the Selectmen, the Planning Board and the Sewerage Study Committee with their report on sewerage and sewage disposal.

The Sewage Study Committee is submitting two articles for the voters' consideration. One, an article to borrow the money, interest free, from the Federal Government, to defray the cost of contract drawings and specifications for sewerage facilities for the town of Harwich. Two, an article to purchase or take by eminent domain, the land proposed by the engineers for a sewage disposal area.

Respectfully submitted,

FRANK H. THOMPSON, Chm.
FRANCIS HIBBERT
ROBERT LARKIN
RAYMOND RIOUX
Sewerage Study Committee

Report of the Highway Surveyor

To the Honorable Board of Selectmen
and to the Citizens of the Town of Harwich:

The following is the report of the Highway Department for the year 1964.

Your Highway Department has had its usual quota of work this year and hope that it has been satisfactorily accomplished. This being the intentions of the men working on our highways we have:

Rebuilt and resurfaced approximately four miles of road

Oiled and resurfaced approximately fourteen and seven tenths miles of road

Installed twenty-two filter beds

Installed twelve catch basins

Approximately two-hundred thirty feet of pipe has been installed to help eliminate our water drainage problem

Marking roads and erecting and maintaining street signs

Cutting out and rebuilding sidewalks

Cutting Brush

Road Sweeping

Removing Snow

This year I am asking for four new pieces of equipment which are as follows:

Two vehicles: One to replace a 1953 International Truck, and one vehicle to replace a 1959 Chevrolet pickup.

A new four-yard sweeper which would replace our 1962 one - yard pickup sweeper.

The fourth piece of equipment which I am asking for is a Sandbox Spreader which would be replacing the one presently owned by the Town that was purchased in the year 1938.

The vehicles for which I am requesting replacements are in need of costly repairs, and are very essential for the Highway Department to function efficiently and economically.

At this time I wish to thank the Board of Selectmen, the Town Accountant, all Town Departments and the Highway personnel for the cooperation I have received during the year.

I also want to express my gratitude to all citizens of the Town for their fine support and cooperation.

Annual Report of the Conservation Commission

To the Citizens of the Town of Harwich:

The last year saw this Commission's key article in the warrant acted favorably on by the voters, for which we are extremely grateful.

This article established a new district under the zoning laws, conservancy districts, and three specific areas in our town are now designated as conservancy districts, The Herring River Conservancy District, The Muddy Cove Conservancy District and The Red River Conservancy District.

Usage regulations are set up for these areas for protection of the marsh land involved and the Commission feels this law is fair and equitable and evidently the office of the Attorney General did also, as prompt approval was given to the amendment.

The sad news of the pollution of Herring River was a tribute to our apathy as voters. For years an unsanitary and irresponsible operation of the town dump area and sewage disposal area has gone on and now we reap the rewards of our neglect. The present dump area must be closed for good and as soon as possible. We understand the Planning Board is searching for a new site at this time. Health authorities tell us that even if the dump area were closed, as of right now, it would continue to pollute the river for a long time because of conditions there.

Your Commission is now searching for information in regard to rights of way to the flume on the reservoir in North Harwich and drafting a form letter to marsh owners in the three conservancy districts to see if they would consider deeding to the town or selling at reasonable price whatever marshland they have legal title to.

The Commission meets regularly, except during the summer months and our meetings are open to the public. Any information in regard to conservation problems or suggestions as to methods, procedure and future activities would

be welcome. Any of the persons listed below can tell you when and where the commission meets and perhaps answer questions you may have along these lines.

Respectfully submitted,

ERIC A. FARHAM, Chairman
ESTHER STIDSTONE WALTER JULIN
RICHARD CHASE RUFUS PINA, JR.
ALICE CHAMPION MORRIS, Sec.-Treas.

Report of the Insect Pest Control

To the Selectmen and Citizens
of the Town of Harwich:

Some changes have been made in an attempt to improve the efficiency of the department.

One change was in dorminate oil spray in April. This is to prevent the Dutch Elm disease from spreading. It was done this year with aerial spray by helicopter. This gave better coverage for less money.

The foliage spray for Elm Leaf Beetle, Canker Worm and Fall Web Worm was carried out in the usual method, with Town equipment. A new insecticide was used called Seven. This is very effective and is less harmful to wildlife than the old standby DDT.

Very little poison ivy is left on our roadsides. If any of the citizens locate it on Harwich Roads next spring please call the Insect Pest Control, as we want to beat this pest.

One elm tree was found to be infected with Dutch Elm disease and was removed. We have gone through another year with no noticeable increase in gypsy moths. They are in nearby towns and we should watch for them.

Respectfully submitted,

RAYMOND L. THACHER
Superintendent of Moth Department

Report of the Tree Warden Department

This past year, 1964 saw the sad ending of the Forestry Department as a working unit. The ability of this department to function without equipment was set back where it was twenty years ago. The only hope our six hundred young trees have of surviving is when the voters, once again elect high town officials who know the value of these trees to the town.

The finance committee made up mostly of new members voted to cut the forestry budget nearly in half, and in order to make the funds last for the whole year, only emergency was done. This work was given to different individuals that could be found when needed. The usual work carried on each year had to be discontinued.

Seven large dead trees were removed from the roadsides. Many low hanging limbs growing out into the streets were also removed. There were many complaints of these low limbs breaking off car radio antennas.

During one of the driest Summers in history we tried to save some of the small trees by carrying water in buckets from the homes nearby. The town sprayer was borrowed from the moth department, and the larger trees that were set out last year near the golf links, were watered very heavy. This kind of watering helped save some of these trees.

One of the larger Norway Maple trees set out by the town near Hall's filling station was cut down on Halloween night. This tree, paid for by the tax payers, had just started to grow very fast.

I would like to leave one question with the voters at this time. In several years when the last elm tree is removed because of Dutch Elm Disease, and I am afraid this will be much sooner than we think, what will the town have left for shade trees?

Respectfully submitted,

WALTER E. CAHOON
Tree Warden

Report of the Park Department

This year found the Park Department with three new commissioners and much work to be done to the various parks and squares. The Nickerson Square in East Harwich had to be completely rebuilt with new soil, grass and flowers.

Brooks Park saw one of its busiest summers with three baseball teams using the baseball diamond and several organizations using the other facilities for fairs, picnics and band concerts. There was much time spent in clearing the grove to the east of the band stand, to give picnickers more space in which to enjoy this beautiful park.

The tennis courts which have been in poor condition for several years were greatly improved this season with the addition of new clay to its base and new tapes.

Two new squares were added to the Departments list and with much help from the American Legion the Harry Albro and Alton P. Hall Squares are a fine addition to the town.

The Larson Property on Wychmere Harbor was formally turned over to the Department this year and a gate was put in the fence to benefit all those who wished to stop and admire the harbor.

All squares and parks had flowers planted for Memorial Day and Veterans Day.

The comfort station in Harwich Port was repaired by the employees of the department as requested in article #61 - 1964. We feel that there is always going to be a problem with vandals here, but with careful checking and maintenance each day the problem can be held to a minimum.

Respectfully submitted,

JOHN TAMBOLLEO, Chairman
JAMES J. McGEE
RONALD J. KENDALL

Annual Report of the Playground and Recreation Commission

For the fifteenth year, the Harwich Playground and Recreation Commission takes pleasure in presenting its annual report to the townspeople of Harwich.

The Recreation Building has enjoyed a busy year with 13,462 people using the premises for one activity or another. We have tried to serve the needs of the community groups by providing facilities for a great variety of events, ranging from youth programs such as Girl Scouts and Creative Arts classes to furniture refinishing classes for adults under the able direction of our Recreation Assistant, Wendell Bassett. The building is a mecca for a great number of activities—particularly noticeable during winter evenings and summer days.

Again this year, the Commission cooperated with Wychmere, a non-profit summer school offering a three week graduate credit course in the teaching of Creative Arts. Our own Creative Arts program benefited greatly from this as our youngsters enjoyed the direction of master teachers from all over New England.

Our Summer Athletic Program was a great success although the total number of instruction hours was restricted due to so much inclement weather. Nevertheless, at the annual Field Day, approximately 250 children ranging in ages from 6 to 15 years of age participated in water and field events, and 50 ribbons, 8 Alonzo Stagg Medals, and 131 certificates in swimming were awarded. Two of our instructors, Nancy Symmes and Irene Packard, now fully accredited Red Cross Swimming Instructors, grew up in the Summer Athletic Program when first initiated by the Recreation Commission. The 1964 program was under the direction of S. W. Stevenson, Jr. of the faculty of the Loomis School, and included as the fourth member of the team, Kal Wynot of Harwich and Tufts College.

For a second time, the Harwich Recreation Commission and the Harwich Junior Theatre have been the subject of an outside survey. These two groups were chosen by three

seniors from Wheelock College as the basis of a major paper for a "Community Resources" course. The purposes of the paper were to discover the resources that are offered by a community, to learn what constitutes community growth and unity, and to learn how community resources foster this growth. We are looking forward with interest to their conclusions.

Respectfully submitted,

RICHARD E. JOHNSON, Chm.
VIRGINIA S. DOANE, Treas.
WILLIAM L. CHANDLER
SHELDON J. THAYER, JR.

Report of the Building Inspector

To the Board of Selectmen,
Town of Harwich, Massachusetts:

Gentlemen:

I herewith submit my report as Building Inspector for the year ending December 31, 1964:

Number of Building Permits	300
Number of Sewerage Disposal Permits	275
Number of Water Supplies Tested	4
Number of Complaints Investigated	26
 Permits issued as follows	
Dwellings	150
Additions	99
Motels	3
Garages	23
Re-locations of Buildings	6
Porches	7
Stores	2
Alterations	2
Post Office	1
Bank	1
Repair Shop	1
Club House	1
Dining Pavilion	1
Booster Station	1
Bog House	1
Car Port	1
 Estimated Cost of Construction	
Dwellings	\$1,834,496.00
Additions	349,886.47
Motels	195,000.00
Garages	35,863.00
Re-location of Buildings	5,685.00
Porches	5,150.00
Stores	74,000.00
Alterations	10,800.00
Post Office	40,000.00
Bank	54,000.00
Repair Shop	8,000.00

Building Permits	\$1,418.00
Sewerage Permits	275.00
<hr/>	
	\$1,693.00

Respectfully submitted,

H. DONALD STANFORD
Building Inspector

Report of the Cemetery Commissioners

To the Citizens of the Town of Harwich:

The 1964 season was a pleasant working one and much progress was made in developing the Island Pond and South Harwich Cemetery areas.

Most of the credit for this progress goes to the fine corps of employees this department was able to obtain. Conscientious and industrious workers are at a premium, particularly on a seasonal basis.

We were fortunate in the respect that the rainfall was sufficient to keep growth green, and yet not require constant mowing, permitting some labor to be spent in constructing new lots. Of the approximately fifty new lots set up, some thirty-five are either sold or subscribed to.

Interest in, and admiration of, Island Pond Cemetery grows at an ever increasing rate and we find the many favorable comments a real reward for our efforts and time spent.

We welcome suggestive criticism from one and all and are happy to provide a guided tour upon request.

Respectfully submitted,

JOHN R. S. HANDREN
BUDDY W. JULIN
ROGER W. MUNSEY
Cemetery Commissioners

Report of the Plumbing Inspector

To the Board of Health
Town of Harwich, Mass.

Gentlemen:

I hereby submit my report as Plumbing Inspector for 1964:

Estimated Cost of Plumbing		\$279,737.00	
Turned in to Treasurer of Town		\$377.00	
Total Permits Issued		377	
Dwellings	339	Gas Station	1
Restaurants	5	Rest Homes	3
Barber Shop	1	Motels	6
Dwelling and Office	1	Post Office	1
Dwellings and		Garages	2
Restaurants	2	Clubs	2
Restaurant and Garage	1	Stores	5
Night Club	1	Banks	2
Guest House	1	Inn	1
Beauty Parlor	1	Hotel	1
Office		1	
Inspections by Inspector		507	
Inspections by Asst. Inspector		164	

There has been a great increase in number of permits issued.

Respectfully submitted,

COURTENAY N. CHASE

Plumbing Inspector

Report of the Inspector of Wires

The following inspections were made for additions to present wiring, three wire services to replace old two wire systems, off peak hot water, new homes and contractors services in the Town of Harwich for the year ending December 31, 1964.

All new homes require two inspections, one roughing in and the final inspection when the service is completed and ready for connection to the poles on the street. Before many installations are started we look over the property with the electricians, advising them what should be done to comply with the code. In our total there were 66 contractors services for building purposes, but roughing in inspections are not included.

All new installations for homes require a 100 amp service.

Locations	Inspections	Estimates
Harwich	114	\$23,900.00
West Harwich	92	35,050.00
Harwichport	85	35,400.00
South Harwich	58	12,450.00
East Harwich	54	15,700.00
Pleasant Lake	34	10,000.00
North Harwich	5	1,500.00
Total	<hr/> 442	<hr/> \$134,000.00

Respectfully submitted,

BRADFORD L. BARRETT,
Inspector of Wires

Report of the Gas Inspector

To the Honorable Board of Selectmen
and Citizens of the Town of Harwich:

This being the first annual report under the new rules and regulations established under Chapter 737, Acts of 1960, I would like to thank the Board of Selectmen and the Fire Department for their help and cooperation in the enforcement of these new rules and regulations.

At our annual Town meeting in March, 1964, under Article #86, it was voted to charge one dollar (\$1.00) for each gas application. This was put into effect on April 1, 1964.

Gas inspections for 1961, 1962, 1963 by Gas Inspector in 1964	153
1964 inspections by the Gas Inspector	316
1964 inspections by the Assistant Gas Inspector	24
1964 Gas leak inspections	6
Total Gas Inspections	499
Fees collected and paid to the Town Treasurer	\$275.00

There were twenty-five hundred (2500) total miles covered completing above inspections.

Respectfully submitted,

FRANCIS J. HIBBERT,

Gas Inspector

Report of the Waterways Study Committee

To the Honorable Board of Selectmen:
Harwich, Massachusetts

Gentlemen:

1964 has been another active and productive year for this Committee, which has met each month.

With permissive legislation filed by Rep. Stephen Weekes and Sen. Allan Jones, passed by the State Legislature, and authorization by the Town Meeting to borrow up to \$150,000., two essential steps were completed to assure the development of a new Harbor for Harwich in the Andrews River area. A joint Town, State and Federal meeting was sponsored in July, 1964 to further develop cooperative guidelines. The U. S. Army Corps of Engineers has completed its field studies and is currently developing detailed engineering plans for construction. The U. S. Fish and Wildlife Service has completed and filed a completely favorable report.

The Allen Harbor Town Landing is scheduled for completion by July 1, 1965, according to the Mass. D. P. W. Division of Waterways. The Town will be asked to take a small tract of abutting land to provide adequate parking and facilities. Maintenance dredging will be needed in 1965, particularly at Wychmere Harbor, which the Town will have to do. The State will participate in maintenance dredging in 1966. The need for dredging Wychmere inner harbor will be studied this year, and the State has the reconstruction of the Wychmere outer breakwater and the east breakwater at Allen Harbor under active consideration for action when funds are available.

This Committee wishes to express its sincere appreciation to you and to the citizens of Harwich for the understanding and support extended to this Committee.

Respectfully submitted,

RICHARD T. WALES, Chm.
J. STANLEY BARNES, Clerk
BIDDLE R. THOMPSON, JR.
BRADLEE F. CLARKE
RUPPERT L. NICHOLS

WALLACE RANEO
HAROLD VANBUREN
SHELDON J. THAYER
EDWARD J. EDMUNDS

Report of the Director of Civil Defense

To the Honorable Board of Selectmen and
to the Citizens of the Town of Harwich:

I hereby submit the report of the Department of Civil Defense for the year 1964.

Emergencies wait for no one, and unless each and every organization attains a high degree of readiness, even a minor emergency could turn into a major disaster.

With this in mind, we have continued our training program and have also completed stocking of several shelters with food, water and medical supplies. Each shelter also has a complete Monitor Kit and a trained operator. Radio-logical schooling has continued and I hope to initiate the new Medical self-help program during the coming year. Shelters are located as follows: Elementary School, South Street; Cape Cod Bank and Trust Co. and Cape Cod Five Cents Savings Bank, Main Street, Harwich Port.

Respectfully submitted,

JOHN S. RANEO
Director

Report of the Dog Officer

To the Selectmen and the People of the Town of Harwich:

In the last nine months since I have been appointed, I have handled 304 complaints and have travelled 600 miles in response to complaints.

I feel that the Town of Harwich is growing at a very fast pace and in order to have the job done correctly a full-time man could be appointed, or a greater salary for a part-time man so that the proper time may be applied to the job.

I wish to extend my sincere thanks to the Harwich Police Department for their understanding and cooperation.

Respectfully submitted,

ROBERT HUDSON
Dog Officer

Report of the Sealer of Weights & Measures

To the Honorable Board of Selectmen
Town of Harwich, Massachusetts

Gentlemen:

I hereby submit the annual report of the Sealer of Weights and Measures for the year ending December 31, 1964.

Total fees collected, which have been turned in to the Town Treasurer—\$119.00.

REPORT

Jury List

- Alves, Anthony, Kelley St., Harwich—House Painter - self-employed.
- Barrett, Bradford L., Jr., 145 South St., Harwich Port—Radio and Television Repair—B. L. Barrett, Jr., TV, 145 South St., Harwich Port.
- Barnes, J. Stanley, Checkerberry Lane, West Harwich—self-employed, Barnes Cape Cod Real Estate. Retired—H. F. Livermore Co., Allston Station, Boston, Mass.
- Blanchard, Jacqueline B., Checkerberry Lane, West Harwich—Motel Manager, (seasonal) Colony Beach Motel, Box 1015, Dennisport.
- Bearse, Ruth H., Pleasant Lake Ave., Harwich, housewife—husband Edward P. Bearse—Bank Teller, Cape Cod Bank and Trust Company, Harwich Port.
- Cahoon, Eileen A., Harbor Rd., Harwich Port, housewife—husband Oscar J. Cahoon—Lawyer and Barnstable County Commissioner.
- Cahoon, Milton L., Pleasant Lake Ave., Harwich—Banker, Assist. Treasurer, Cape Cod Five Cents Savings Bank, Main St., Harwich Port.
- Chase, C. Earl, Main St., Harwich—Manager, Cumberland Farms Milk Store—Cape Cod Farms, Inc., 777 Dedham St., Canton, Mass.
- Christie, Edward M., Mohawk Lane, South Harwich—retired—formerly with Western Electric Corp., Kearney Works, Kearney, New Jersey.
- Davis, Anne Hall, Snow Inn Rd., Harwich Port, housewife—husband, David M. Davis, Cape Cod Wind & Weather Indicators, manufacturer of weather instruments.
- Dunbar, J. Bryce, Parallel St., Harwich, carpenter—William E. Derwin, Sisson Rd., Harwich Port.
- Eklof, Arthur W., Chatham Rd., Harwich—Field Engineer—Burroughs Corp., 240 Newbury St., Boston, Mass.
- Ellis, Alice E., Division St., West Harwich, housewife—husband, Norman E. Ellis—Mason Contractor.
- Fletcher, Russell E., 31 Cross St., Harwich Port—Restaurant—self-employed—Cape Cod Lobster Claw, Inc., Orleans.
- Gomes, Shirley A., off Pleasant Lake Ave., Harwich, housewife—husband, Richard E. Gomes—self-employed—Dick's Rug & Upholstery Cleaners.
- Hadd, Ethel L., Belmont Rd., West Harwich, waitress—Riverway Lobster House, South Yarmouth—Husband self-employed building contractor.
- Hall, Millard P., Depot Rd., West Harwich, self employed—Salesman—Depot Rd., West Harwich.
- Hall, Olive F., Depot St., North Harwich, housewife—husband Alton P. Hall (deceased).
- Josselyn, Richard C., Restabit Rd., East Harwich—U.S. Government Postal Clerk, Harwich Center.
- Joy, Edith F., Willow St., West Harwich, housewife—husband, Robert E. Joy, contractor, self-employed.
- Knowles, John A., Main St., Harwich Port—self-employed—Electrical Contractor, Box 333, West Harwich.

Litchfield, Howard H., Hudson Lane, West Harwich, retired—Business Rep. Casket Makers Union, 678 Mass. Ave., Cambridge, Mass.

Ormond, John J., Jr., Bells Neck Rd., West Harwich, self-employed—Owner-manager Cottages & Cabins for summer rental, Bells Neck Rd., West Harwich.

Orton, Melvin T., Silver St., West Harwich—Appliance Service Man—Cape & Vineyard Electric Co., Willow St., West Yarmouth.

Pena, Isaac F., Kelley St., Harwich, laborer—Robert Childs, Inc., West Dennis, Mass.

Robertson, Frances E., Main St., West Harwich, housekeeper—guest house manager—Blueprint Expeditor—Plant & Structures Division—Civil Aeronautics Administration—Anchorage, Alaska.

Ramos, Adeline B., Great Western Rd., Harwich, general houseworker—Mrs. George Gardner, Main St., Harwich Port—husband, yardman, Harwich Lumber Co., Main St., Harwich.

Root, Marguerite C., Clearwater Drive, Harwich, housewife—husband, F. Wheeler Root, retired.

Schierring, Harold S., Division St., West Harwich—self-employed tile layer.

Sebold, Robert W., Bells Neck Rd., West Harwich—U. S. Government Postal Clerk, Main St., West Harwich.

Sisson, Randolph H., Main St., Harwich Port, caretaker, self-employed.

Smith, Edna S., Depot St., West Harwich, housewife—husband self-employed sign painter, Depot St., West Harwich.

Taft, A. Read, Route 137, East Harwich, retired—formerly Jewelry Sales Mfg. & Repairs—Jewel Smiths Inc., Boston, Mass.

Thomson, Philip V. R., 514 Main St., Harwich Port—self-employed owner Real Estate business—partner of Insurance Agency, Snow & Thomson, Inc., Main St., Harwich Port.

Tribou, Lloyd H., Church St., East Harwich, semi-retired—self-employed carpenter.

VanSickle, Bertha B., Orton Rd., South Harwich, housewife—husband Schuyler C. VanSickle, retired teacher—Springfield Public School System.

Walsh, Lester L., 83 Chatham Rd., Harwich, self-employed—Court Reporter—Chatham Rd., Harwich.

Winston, Beverly A., Harold St., Harwich Port, housewife—Home Demonstrator—Cannon's, Inc.—husband, Eugene Winston—Fuel Oil and Garage business—Young's Fuel Oil Service, Main St., Harwich Port.

Witherell, Russell V., Woodbine Lane, Harwich—Clerk, Shipper & Buyer, Harwich Lumber Co., Station Ave., Harwich.

Report of the Harwich Historical Commission

To the Honorable Board of Selectmen
and to the Citizens of the Town of Harwich:

In accordance with the vote of the Town at the Annual meeting of 1964—to accept the provisions of Chapter 697 of the Acts of 1963 a Historical Commission was duly appointed by the Selectmen. Members of said Commission are:

Helen R. Drake	1967	3 yrs.
Alan T. Hunt		
Mildred B. Paine	1966	2 yrs.
Ralph W. Cashen		
Archilus H. Cahoon		
Annie M. Nickerson	1965	1 yr.
Mary D. Hentz		

An organizational meeting was held at which the following officers were elected:

Mrs. Asahel Drake, Chairman
Mrs. John H. Paine, Vice Chairman
Mrs. Leslie V. Nickerson, Secretary

Attorney Alan T. Hunt consented to serve as Legal Advisor.

Presently the Commission is in correspondence with the State Historical Commission in regard to the necessary procedure whereby the Brooks Academy may be certified as an Historical Site.

Respectfully submitted,

HELEN R. DRAKE
ALAN T. HUNT
MILDRED B. PAINE
RALPH W. CASHEN
ARCHILUS H. CAHOON
ANNIE M. NICKERSON
MARY D. HENTZ

Report of the Water Department

To the Citizens of the
Town of Harwich:

Herewith is the 28th Annual Report of the Water Department for the year ending December 31, 1964.

Statistically, the Water Department this year has shown a moderate gain over the comparable 1963 period. Despite a limited amount of main line construction, 137 domestic services were added to the system. Water rates and services totaled \$114,459.10, approximately an 11% increase over the previous year and the output amounted to 226,546,420 gallons of water.

Expansion of the water system has been rather restricted over the past several years, not only because of conservative voting at the Annual Town Meetings, but also influenced by a 6% return clause on the cost of the projects which appears to be a criterion for favorable action on water articles. As a result, monies appropriated under articles with this proviso have invariably been returned to revenue since the parties involved have not wished to encumber their property with this additional assessment. Consequently, it has deprived many residents of the Town of having water made available to them when they ordinarily would have connected to the Town system.

There have been developers in the past, however, who have paid the entire cost of having town water carried into their developments and, again this year, several developers followed this practice. The work, as usual, was performed under the supervision of the Water Department and numerous services stemming from these projects added to the yearly total.

As part of the long range planning program, funds were made available at the 1964 Town Meeting for the purpose of conducting a Test Well Exploration Program to determine locations for additional sources of water supply particularly in the northwestern part of Town and in the area south of Long Pond. Bids were received and opened on July 20 and the award was made to Porter & Desmond, the lowest bidder, with the engineering firm of Camp, Dresser & McKee employed as consultants. Testing was started in August and

a total of twelve (12) exploratory wells were installed. Although a preliminary report has been submitted to the Commission, a final report on the investigation will not be issued until 1965.

In November of 1963 at a Special Town Meeting, funds totaling \$30,000 were appropriated to defray the cost of removing and reinstalling the 10" Water Main on Depot Road in South Harwich made necessary by the reconstruction and regrading of this road. On July 27 of this year, bids were opened and evaluated by the Board and the Contract for this work was ultimately awarded to Reynolds Bros., Inc. of Canton, Mass. for the bid price of \$16,516. It was recognized after the Contract had been signed that work under this project could be simplified and the Commission held a meeting with Mr. Reynolds to negotiate further. The Contractor endorsed the revision and the result was a saving of \$1,000 to the Town. \$7,000 of the above mentioned amount is being returned to revenue, the balance, however, is being retained for the purpose of replacing materials taken from our stockpile that were utilized on this project and, also, to meet the final payment due the Contractor.

Reorganization of the Board took place early in March headed by Francis J. Hibbert, Chairman with Robert J. Chase, Secretary and Chester A. Robinson, Jr. elected to the Commission for one (1) year period to fill the vacancy created by the resignation of Norman O. Nickerson. There were 28 meetings held at the Water Department office where departmental business was transacted plus special meetings with both the Selectmen and the Finance Committee.

One of the major issues facing the Board during the year and which had been evident for some time was the inadequacy of the minimum water rates attributable to the continuous upward trend in the cost of maintenance and operation. A survey of various Cape Water Departments of comparable size was conducted and it was discovered that Harwich had one of the lowest rate schedules on the Cape. The Commission, after careful study, ultimately decided to establish the minimum charge at \$28.00 per calendar year effective January 1, 1965 allowing 50,000 gallons of water with all in excess of that amount at 40 cents per thousand. This, we might add, is the initial increase since the Water Department went into operation in 1936 and, if today's dollar had the same purchasing power as the dollar 28 years ago, your water rates could have been appreciably reduced. Inflation, therefore, has played a dominant role in the amount you are paying for water.

As is customary each year following the Town Meeting, the Board authorized the Superintendent to preserve specifications for Water Works Supplies. Bids were invited and the opening was scheduled for March 23. Because a price war on large diameter pipe was being waged at this time, a most attractive figure was submitted from the various Pipe Companies at the bid opening. U. S. Pipe and Foundry Company was the low bidder and was given the award for Cast Iron Pipe. Other companies in the various categories handed Contracts were as follows:

Pipe & Fittings.....	H. R. Prescott & Sons
Gate Valves & Gate Boxes.....	Eureka Cement Lined Pipe Co.
Brass Goods.....	Red Hed Mfg. Co.
Service Pipe.....	Eureka Cement Lined Pipe Co.
	Cement Lined Pipe Co.
Hydrants.....	Public Works Supply

Mid-year, plans and specifications were drawn up for the "Laying of Water Mains" voted under certain articles at the 1964 Town Meeting. Nine bids were received and it was found that Robert A. Munroe of Attleboro, Mass. submitted the lowest figure and was awarded the Contract. Good contracting operations by this construction firm permitted early termination of the projects thus putting these lines into service earlier than anticipated.

During the summer months, the New England Fire Insurance Rating Bureau of Boston conducted a fire flow test at fourteen (14) locations in various sections of the Town. A report of its findings will be forthcoming in 1965.

A map showing the entire layout of the distribution system in the Town of Harwich is being revised and will be completed early in 1965. Many water lines have been added since the last revision in 1947 and copies of this plan will be made available to the Public for a nominal fee.

To achieve accuracy in recording water pressures and water elevations, the Water Department back in 1946 installed a telemetering device. This instrument dispatches the data via telephone wires from the water tank to the Pumping Station where the information is charted on the instrument panel board. Over the years, it has proven most reliable and beneficial to the Department and, since both Fire and Water Departments are equally concerned relative to the amount of water available in the Town at all times, it was deemed advisable that the Fire Station be equipped with this instrument. Consequently, an article is being sponsored in the 1965 Warrant for an appropriation to cover the cost of the installation.

An amount under capital outlay is being requested by the Commission for the purchase of a Compressor to replace the homemade Model "A" Ford unit the Department has been using for many years. We have been experiencing trouble with this equipment throughout the year and it is now beyond the repairable stage. Earlier the Chairman of the Board attempted to obtain one through the Civil Defense Department under surplus equipment but at that time none was available. We are hoping, therefore, that this item will be given voters approval at the 1965 Annual Town Meeting.

Our maintenance program was given the usual consideration during the year. Pumping equipment was checked periodically to determine its dependability and the interior of the sub-stations were given a fresh coat of paint. Hydrants were also painted with a reflective paint and it was necessary to raise several of these in various locations to bring them up to grade. No serious breaks or leaks in the distribution lines were reported although a few minor casualties such as frozen services and meters occurred. The resumption of service to our seasonal takers was accelerated this past Spring by the overtime work permitted our men. It was found to be more to the department's advantage and to the convenience of our customers to meet the heavy demands in this manner rather than employ and train a part-time extra.

In closing, we wish to express our appreciation to you who have cooperated and assisted us in any way during 1964 and may we extend sincere wishes for a bright and prosperous year ahead.

Following is a resume of financial and engineering data:

Used altered license to gain entry into Liquor Establishment	2
Loaned license to another to gain entry into Liquor Establishment	2
Used another's license to gain entry into Liquor Establishment	1

I wish to point out that we had great success with the new Town By-Laws passed at the last Town Meeting in regards to control of rowdyism and the consumption of alcoholic beverages in public places.

Accidents continue to be a major problem due to increased number of persons and vehicles on the highways. This year as part of our safety program we hope to initiate the inspection and registration of bicycles in the town. This will assist in safety and also in identification and recovery of bicycles.

I wish to thank the Board of Selectmen, the heads of the various Town Departments, the regular and special officers and the citizens of the town for their cooperation during the past year.

Respectfully submitted,

JOHN S. RANEO
Chief of Police

Report of the Welfare Department

To the Citizens of the Town of Harwich:

The following report of money expended for the year 1964 including all categories of relief with a total of 155 cases aided, shows a total of \$182,417.54 for aid rendered and receipts of \$144,148.98. Administration shows a total of \$17,307.06 expended and receipts of \$11,777.14.

Report of the Director of Veterans' Services and Veterans' Agent

To the Honorable Board of Selectmen and
Citizens of Harwich:

The past year has been one of considerable change and activity. This is the first year this office has been open on a full-time basis with a full-time clerk. For a number of years it was felt this requirement was necessary in order to keep accurate records and give service to the veterans and their dependents, either for benefits from Veterans' Administration (Federal Government) or Veterans' Services (State).

With the continued closing of VA Contact Centers and the cut-back of the Contact Representative time to one day per month in Hyannis, many veterans of Harwich, and other areas, have found the full-time operation helpful.

From the standpoint of Veterans' Services, we are now able to keep more accurate records on each case, and to process and evaluate bills according to State directives, thus eliminating the possibility of payment beyond maximums allowed by the State and making it possible to obtain the maximum reimbursement to the Town from State funds.

The continued passing of time ages the Veteran of World War I and II, and we find ourselves increasingly busy assisting those veterans proven in need by Federal or State law. Considerable additional expenses have been incurred this past year for hospital and medical needs.

We are continued to be plagued with rising costs in all phases of our budget as the number in need also increases. 19 new applications were submitted, 14 of which were accepted and 5 denied. We are presently aiding 18 veterans and 87 dependents (widows, children, and eight parents.) During 1964 we received 487 telephone and personal inquiries in our office.

We are deeply appreciative of the fine co-operation extended to us by our Board of Selectmen, the Finance Committee, the officers of our Town Departments and businesses in Harwich, the Massachusetts Division of Employment in Hyannis, and the M. S. P. C. C. in Hyannis.

The following is a breakdown of income to our office in 1964:

Revenue Received from Discharge of Liens	\$7,762.31
Massachusetts 65 Reimbursement	4,363.49
<hr/>	
Total	\$12,125.80
	\$12,125.80
 Anticipated receipts from State Settled cases (100% reimburse- ment from Commonwealth)	839.95
 Anticipated receipts from Harwich Settled Cases (50% reimburse- ment from Commonwealth)	19,813.62
<hr/>	
Total	\$20,653.57
	\$20,653.57
<hr/>	
	*\$32,779.37

Respectfully submitted,

FORREST A. EATON
Agent and Director

Report of the Shellfish Warden

To the Honorable Board of Selectmen and
Citizens of the Town of Harwich:

The planting of quahaugs and oysters at Round Cove has provided excellent shellfish, as well as recreation and exercise for more than 500 Family Permit holders on the last five Sundays of this year. This area is, and has been, enjoyed by many of our residents for many years and should remain a planted and controlled area for resident winter shellfishing.

Other on-shore areas hold their own and produce the average amount of shellfish with some help by reseeding. The Family Permit holder does well in Harwich, but the steady increase of permit holders will require more buying of quahaugs and oysters for transplanting to keep everyone happy.

There is a good supply of soft shell clams at this time, and there should be a longer open season for clams this spring.

Pleasant Bay has had a great deal of publicity this year as to its potential yield. The Department of Marine Fisheries is interested in this area and is conducting an estuarine study of the entire area.

Transplanting from congested areas, where over-population of quahaugs causes stunting, should be done as soon as possible for economic reasons. This area is important to the town for its monetary value and should not be neglected.

This year's scallop season was nil, and the set for next year shows we should have a fair harvest.

There are plenty of skimmer clams at Herring River entrance and some at Red River entrance, but they are hard to get to, due to inaccessibility over private property.

Although there were over two hundred infractions of the Shellfish Rules and Regulations, mostly minor, the general cooperation of the public is greatly appreciated. Conservation is the key to survival for future generations, so let's do our best toward this end.

Statistics

Estimated Amount and Value of Shellfish Taken in 1964.
Family:

Clams	125 bu.	\$1,250.00
Quahaugs	1,688 bu.	16,880.00
Oysters	120 bu.	960.00

Brooks Free Library Trustees' Report

An exhibition of the paintings of the late artist Charles D. Cahoon was held at Brooks Library from Aug. 1 to Aug. 22nd, Tuesday through Saturday afternoons from 1 to 4 P.M.

Mr. Cahoon, although remembered primarily for his work in oils, was also a photographer of excellence and during the 80's, 90's and early 1900's photographed many of the leading sport figures, stage personalities, authors and artists of the Boston area.

From 1920 most of his work was done from his studio on Parallel Street in Harwich, paintings, for the most part, of Cape Cod.

The exhibition included loans from private collections of Mr. Cahoon's paintings, drawings from his sketch book, examples of his photography and family photographs loaned by his son, Alvin Cahoon.

Lack of space makes it impossible to print the names of those who loaned their paintings. We do wish to express our appreciation for the interest and cooperation shown by these people and the time and effort given by Alvin Cahoon, Virginia Doane and members of the Board. The guest book listed over five hundred visitors.

General Repairs and Maintenance of Brooks Block

Repairs on the heating plant necessitated the digging of a new pit and building a new foundation for the boiler. The combustion chamber was completely rebuilt.

Extensive repairs on the fire escape were made. The main beam on the upper platform was replaced. All hand rails were rebuilt and painted with rust-resistant paint.

Librarian Virginia Doane attended the New England Library Association meeting held at Wentworth-by-the-Sea in Portsmouth, New Hampshire.

Respectfully submitted,

HILLARY M. LECLAIRE
MRS. EARL SIMS
MRS. OSCAR J. CAHOON

Librarian's Report

Brooks Free Library has enjoyed being the recipient, during 1964, of many fine gift and memorial books. We feel especially fortunate to have been presented the biographical and political library of the late John H. Paine as well as his scrapbooks and bound copies of the Cape Cod Republican, published from 1862-1864. As a long term project and with the assistance of the Harwich Port Library, Chase Library, the Harwich Historical Society, and other interested townspeople, we are endeavoring to compile a bibliography of material on the town of Harwich.

We have enjoyed the monthly visits from the 6th graders as they learned the facilities offered by their public library. Especially gratifying is the increasing use of our reference shelves. In particular, we are glad to be able to offer so much information located in magazines, which we have been able to store for a number of years.

Being open five days a week has given more new patrons a chance to become acquainted with the library and the increased number of hours open is reflected in an increase of over 2,000 circulation of adult books.

The following is the number of books in the library as of December 31, 1964:

Adult	9,595	Juvenile	3,211	Total	12,806
Circulation 1964:					

Adult	19,976
Juvenile	10,592
Magazines	2,131
Pamphlets	436
Records	116
<hr/>	
	33,251

Respectfully submitted,

LESLIE V. NICKERSON,
Treasurer

I wish to express my sincere thanks to the Heads of all departments, to the Honorable Board of Selectmen, to the Town Accountant, and to my very efficient co-workers in the Town Clerk, Treasurer, and Collector's office, for the wonderful co-operation given me during the year.

I wish also to publicly through this report to especially thank Mr. Mervyn A. Hall for his outstanding work and help, as my Assistant Town Clerk, and Assistant Treasurer. Without this assistance, far beyond the call of duty, the work of the office would not go on. It is my hope that this work will be recognized and additional renumeration be provided.

LESLIE V. NICKERSON,
Town Clerk, Treasurer,
Collector of Taxes

Question No. 1:

"Shall the Town vote to demolish the Town-owned building located at Main Street and Pleasant Lake Avenue, known as the Exchange Building, and raise or appropriate for said purpose the sum of eighteen thousand dollars?"

Yes	953
No	452
Blanks	98

Alan Hunt was sworn in as Moderator before Leslie V. Nickerson, Town Clerk. He then took over the meeting.

In accordance with the foregoing warrant, the Town Meeting was held at the New Junior-Senior High School Gymnasium on Oak Street in this Town on Tuesday, March 3, 1964 at 7:30 PM. A legal quorum was established by the Town Moderator, Mr. Alan Hunt, who then called the meeting to order. On the close of the meeting, it was moved and seconded that the meeting meet the following night in the Junior-High School Auditorium, March 4. The Meeting was held March 3, 4, 5, and 9, 1964. The recommendations of the Finance Committee under articles were read before action was taken on such articles.

March 3, 1964 Meeting adjourned at 11:03 P.M.

March 4, 1964 Meeting adjourned at 11:10 P.M.

March 5, 1964 Meeting adjourned at 11:20 P.M.

A motion was made to adjourn at 7:30 on Friday night but this motion was lost. A 2nd motion was made to adjourn on Monday, March 9, at 7:30 P.M. This motion was voted.
March 9, 1964 Meeting adjourned at 11:30 P.M.

All business of the meeting having been completed the Town Meeting was dissolved.

LESLIE V. NICKERSON
Town Clerk

Article 2. To choose all other Town Officers and Committees.

Surveyor of Wood and Lumber	H. Donald Stanford
Building Inspector	H. Donald Stanford
Field Drivers and Fence Viewers	
Joseph Barber, Arthur A. Holmes, Horace F. Wixon	
Trustee of Caleb Chase Fund	Leroy W. Long
Trustee of Caleb Chase Fund (Unexpired)	Davvid M. Davis
Finance Committee (Three years)	Kenneth Coulson
Finance Committee (Three years)	Ralph B. Cummings
Finance Committee (Three years)	John C. Nicodemus
Finance Committee (Two years)	G. Wilson Smith
Finance Committee (One year)	Donn B. Griffin

Article 3. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1964 and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of the General Laws.

Motion: To accept and adopt.

Action: So voted.

Article 4. To hear the report of all Town Officers and Committees for the year of 1963.

Motion: To accept all reports as they are printed in the 1963 Annual Town Report.

Action: So voted.

Article 5. To see if the Town will vote to fix the salaries of the Elected Officials of the Town for the calendar year 1964 as follows:

Selectmen (three)	\$2,597 each
Assessors (three)	\$2,597 each
Board of Public Welfare (three)	\$318 each
Moderator	\$150
Town Clerk, Treasurer and Collector of Taxes	\$5,500
Surveyor of Highways	\$5,750
Tree Warden	\$1,000
School Committee (five)	\$300 each
Water Commissioners (three)	\$500 each
Constables (three)	\$50 each

and to act fully thereon.

Motion: To accept and adopt.

Action: So voted.

Article 6. To see if the Town will vote to amend the Personnel By-Law accepted under Article 5 on March 5, 1962, and as amended by Article 38 on March 5, 1963, by deleting the second paragraph of Part VII, Section 1 thereof and substituting therefor the following:

"Pay adjustments for employees coming within the scope of this By-Law approved by Town Meeting shall be effective on January 1 of the particular year and will be within the step then occupied by the individual employee. Any such adjustment shall not bar his movement on the proper anniversary date to the next higher step or the maximum applicable to his classification, as the case may be, at the adjusted rate established from time to time therefor."

By request of the Personnel Board.

Motion: To accept and adopt.

Action: So voted.

Article 7. To see if the Town will vote to amend the Personnel By-Law accepted under Article 5 on March 5, 1962, and as amended by Article 38 on March 5, 1963, by striking out the classification and compensation plan set forth in the Appendix of said By-Law and substituting therefor the following:

Note: Salaries of Elected officials for 1964 to be fixed by voters at Annual Town Meeting.

Amendment to Article 9—Budget:**Board of Health: Disposal Area Maintenance:**

Moved that Article 9, the Annual Budget for 1964, be amended by adding \$4,000.00 to the recommended amount for Disposal Area Maintenance, bringing this item to \$12,000.00 and making the Budget now total \$1,443,221.00.

Action: Amendment so voted.

Amendment No. 2: Article 9 be amended by striking out the figure \$16,000.00 under Highway Department, Snow Removal, and inserting \$20,000.00, and changing the total Budget appropriation to \$1,437,221.00.

Action: Amendment so voted.

Amendment No. 3: Under Budget Item Harwich Port Library, it be amended as follows:

Strike out the sum of \$2,500.00 and insert the figure of \$3,121.00, thereby making the total Budget of \$1,437,842.00.

Action: Amendment so voted.

Amendment No. 4: Under the Budget Item Park Commission, the amount of appropriation be changed from recommended \$6,000.00 to \$8,500.00, so that it will appear as follows:

Salaries and Wages	\$6,000.00
Expenses	2,500.00
<hr/>	
	\$8,500.00

thereby making a total Budget of \$1,438,342.00.

Action: Amendment so voted by standing vote: Yes 169
No 158

Amendment No. 5: Under the Budget Item Cemetery Commission, to read \$7,185.00 instead of \$4,000.00, so that it will appear as follows:

Salaries	\$5,500.00
Expenses	1,685.00
<hr/>	
	\$7,185.00

thereby making a total Budget of \$1,443,527.00.

Action: Amendment so voted by standing vote: Yes 154
No 124

Article 10. To see if the Town will vote to raise and appropriate the sum of seventy-five hundred dollars (\$7,500.00) to be used with whatever State and County funds are available for Chapter 90, Road Construction and to act fully thereon. Customary article.

Motion: To accept and adopt and that the sum of seventy-five hundred dollars (\$7,500.00) be raised and appropriated for this purpose.

Action: So voted:

Article 11. To see if the Town will vote to raise and appropriate the sum of six thousand dollars (\$6,000) to be used with whatever State and County funds are available for Chapter 90, Highway Maintenance and to act fully thereon. Customary article.

Motion: To accept and adopt and that the sum of six thousand dollars (\$6,000.00) be raised and appropriated for this purpose.

Action So voted.

Article 12. To see if the Town will vote to raise and appropriate, or transfer from available funds in the Treasury a sum of money for the permanent construction of Oak Street, Harwich Center from the end of the present forty (40) foot layout north to Queen Anne Road or take any action in relation thereto. By request of the Board of Selectmen.

Motion: To accept and adopt and that the sum of thirty-nine thousand nine hundred eighteen dollars and forty-four cents (\$39,918.44) be appropriated for the permanent construction of Oak Street, and to meet said appropriation the sum of thirty-nine thousand nine hundred eighteen dollars and forty-four cents (\$39,918.44) be transferred from the proceeds received or to be received from the State under the provisions of Chapter 782 of the Acts of 1962 and Chapter 822 of the Acts of 1963.

Action: So voted.

Article 13. To see if the Town will vote to authorize the Selectmen to purchase or take by eminent domain for road purposes a piece of land eighty (80) feet wide as shown on a layout plan dated November 26, 1960 and extending from Oak Street north and west to Route 124 (Pleasant Lake Avenue) at a point about 600 feet (600) south of Queen Anne Road and to raise and appropriate a sufficient sum of money for the purpose and to act fully thereon. By request of the Multi-Purpose Community Building and Civic Center Committee.

Motion: To indefinitely postpone.

Action: So voted.

Article 14. To see if the Town will vote to raise and appropriate the sum of five thousand, two hundred dollars (\$5,200) and to authorize the Highway Surveyor to purchase a greatly needed two-way communication system consisting

of seven units to be installed in Town-owned vehicles of the Highway Department and to act fully thereon. By request of the Highway Surveyor.

Motion: To accept and adopt and that the sum of twenty-four hundred dollars (\$2,400.00) be raised and appropriated for this purpose.

Amendment: Move that the motion be rescinded by striking out the figure twenty-four hundred dollars (\$2,400.00) and inserting the figure five thousand and two hundred dollars (\$5,200.00).

Action on Amendment: Amendment not voted. Standing vote taken:

Yes 91

No 168

Action on Motion: Accepted and adopted that the sum of twenty-four hundred dollars (\$2,400.00) be raised and appropriated for this purpose.

Action: So voted.

Article 15. To see if the Town will vote to raise and appropriate the sum of seven thousand, five hundred dollars (\$7,500) and to authorize the Highway Surveyor to purchase and equip a new Dump Truck and to transfer the ownership of one 1955 Dodge Dump Truck now owned by the Highway Department to the School Department to be used for general maintenance of school grounds and to act fully thereon. By request of the Highway Surveyor.

Motion: To indefinitely postpone.

Action: So voted.

Article 16. To see if the Town will vote to raise and appropriate the sum of seven thousand dollars (\$7,000) and to authorize the Highway Surveyor to purchase and equip a new Dump Truck and to trade in 1955 Dodge Dump Truck now owned by the Town and to act fully thereon. By request of the Highway Surveyor.

Motion: To accept and adopt and that the sum of seven thousand dollars (\$7,000.00) be raised and appropriated for this purpose.

Action: So voted.

Article 17. To see if the Town will vote to instruct the Selectmen to lay out Mother Goose Lane in West Harwich as a Town Road and to act fully thereon. By request of William R. Coffin and others.

Motion: Accept and adopt and that the sum of one hundred dollars (\$100.00) be raised and appropriated for this purpose.

Action: So voted.

Article 18. To see if the Town will vote to instruct the Selectmen to lay out Wheaton Way and Laurie Lane leading from Robbins Road to a dead end on Laurie Lane and to act fully thereon. By request of Wayne B. Hodgkins and others.

Motion: Accept and adopt and that the sum of two hundred dollars (\$200.00) be raised and appropriated for this purpose.

Action: So voted.

Article 19. To see if the Town will vote to instruct the Selectmen to lay out Louis Way in West Harwich as a Town Way leading north from Lower County Road; thence westerly to Bassett's Lane and to act fully thereon. By request of Archie F. Bullock and others.

Motion: Accept and adopt and that the sum of one hundred dollars (\$100.00) be raised and appropriated for this purpose.

Action: So voted.

Article 20. To see if the Town will vote to instruct the Selectmen to lay out Meadowbrook Lane, Harwich Port leading northerly from Gorham Road to a dead end and to act fully thereon. By request of Richard H. Hathaway and others.

Motion: Accept and adopt and that the sum of one hundred dollars (\$100.00) be raised and appropriated for this purpose.

Action: So voted.

Levi W. D. Eldridge and of George E. Kissick; southerly by Nantucket Sound; westerly by land of Elton Yasuna et ux and by a Town Way; and northerly by land of Elton Yasuna et ux; and shown as parcels A, B and C on a sketch plan on file in the Selectmen's Office and to raise and appropriate a sum of money for this purpose and to act fully thereon. By request of the Board of Selectmen.

Motion: To indefinitely postpone.

Action: Not voted.

Motion: To accept and adopt and that the sum of one thousand dollars (\$1,000.00) be raised and appropriated for this purpose.

Amendment to Article: To take out the words "eminent domain."

Action on Amendment: Not voted.

Action on 2nd Motion: Not voted.

Article 54. To see if the Town will vote to purchase or take by eminent domain for the purpose of establishing municipal filter beds and for a municipal sand pit; certain parcels of land to the north of Gilbert Lane and to the east of Lothrop Avenue, now the property of Lillian E. Crowell and of John J. Taylor as shown on a sketch plan on file at the Selectmen's office, and to raise and appropriate a sum of money for this purpose and to act fully thereon. By request of the Board of Selectmen.

Motion: To indefinitely postpone

Action: So voted.

Article 55. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) to build new filter beds for the disposal of cesspool and septic tank material and to act fully thereon. By request of the Board of Health.

Motion: To accept and adopt and that the sum of five thousand dollars (\$5,000.00) be raised and appropriated for this purpose.

Action: So voted.

Article 56. To see if the Town will vote to accept the provisions of Chapter 697 of the Acts of 1963 authorizing a Town to establish a Historical Commission for the preservation, promotion and development of its Historical Assets and to act fully thereon. By request of Cora E. Chase and others.

Motion: To accept and adopt.

Action: So voted.

Article 57. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000.00) to microfilm the complete issues of the Harwich Independent now preserved at the Brooks Free Library and to act fully thereon. By request of the Trustees of the Brooks Free Library.

Motion: To accept and adopt and that the sum of one thousand dollars (\$1,000.00) be raised and appropriated for this purpose.

Action: So voted.

Article 58. To see if the Town will vote to expend the refunded Dog Tax for the support of the Brooks Free Library and to act fully thereon. By request of the Trustees of Brooks Free Library.

Motion: To accept and adopt.

Action: So voted.

Article 59. To see if the Town will vote to raise and appropriate a sufficient sum of money to be used in the preservation of the public shade trees in the Town of Harwich. By request of Walter E. Cahoon, Tree Warden.

Motion: To indefinitely postpone.

Action: Not voted.

Article 60. To see if the Town will vote to raise and appropriate the sum of twenty-three dollars and seventy-five cents (\$23.75) to pay Walter E. Cahoon, Moth Superintendent for services rendered while attending a Dutch Elm Disease conference at the Waltham Field Station in Waltham, Mass., on October 9. 1963 and to act fully thereon. By request of Harvey E. Denault and others.

Motion: To indefinitely postpone.

Action: So voted.

Motion: To accept and adopt and that the sum of twenty-three dollars and seventy-five cents (\$23.75) be raised and appropriated for this purpose.

Action: So voted.

Article 61. To see if the Town will vote to raise and appropriate the sum of four hundred dollars (\$400.00) to do inside repairs to the Comfort Station located in the Public Parking Lot at Harwich Port and to act fully thereon. By request of the Board of Health.

Motion: To accept and adopt and that the sum of four hundred dollars (\$400.00) be raised and appropriated for this purpose.

Action: So voted.

Article 62. To see if the Town will vote to put the so-called "Larsen Property" on Wychmere Harbor deeded to the Town for limited park purposes according to the Deed and Gift under the control of the Park Commissioners for care and maintenance and to act fully thereon. By request of the Park Commissioners.

Motion: To accept and adopt.

Action: So voted.

Article 63. To see if the Town will vote to instruct the Park Commissioners to study the feasibility of acquiring additional land at the East end of Long Pond to increase the Recreational and Parking facilities at this location and to report back at the next Annual Town Meeting. By request of the Park Commissioners.

Motion: To accept and adopt.

Action: So voted.

Article 64. To see if the Town will assume the liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516 and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers, and streams, harbors, tidewaters, foreshores and shores along a public beach outside of Boston Harbor, including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth. Customary article.

Motion: To accept and adopt.

Action: So voted.

Article 65 To see if the Town will appropriate a sum of money for the Town's share of the costs of dredging a harbor, and establishing a Town landing and an access channel in the Andrew's River Area of South Harwich including buildings, utilities, docks, floats, gangways, piles, bulkheads, slope paving, land and engineering, and to determine whether the sum shall be raised by taxation, by transfer of available funds, by borrowing or by any combination of these methods, or take any other action relative thereto and to act fully thereon. By request of the Waterways and Beach Committee.

Motion: That the Town be authorized to assume liability in the manner provided by Section Twenty-nine of

Chapter Ninety-one of the General Laws in connection with a project to dredge a harbor, establish a harbor anchorage and construct dockage facilities, which may include a marina, a parking area and other related facilities in the Andrews River area of South Harwich, and that the sum of \$150,000 be appropriated for such a project and, when required, that sum or so much as shall be necessary shall be paid over to the Department of Public Works, and to raise this amount, the Treasurer with the approval of the Selectmen be authorized to issue \$150,000 bonds or notes of the Town payable in not more than 20 years from their dates.

Action: So voted by secret vote: Yes 261
No 33

Total vote cast: 294

Article 66. To see if the Town will vote to raise and appropriate the sum of twenty-two thousand dollars (\$22,000.00) to be used in conjunction with a similar sum to be earmarked by the Massachusetts Department of Public Works, Division of Waterways, for necessary repairs to the Wychmere Outer Harbor breakwater and to act fully thereon. By request of the Waterways and Beach Committee.

Motion: To accept and adopt and that the sum of twenty-two thousand dollars (\$22,000.00) be raised and appropriated for this purpose. Action: So voted.

Article 67. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) to be added to the harbor and channel dredging reserve, as defined in Article 52, as adopted by the regular 1963 Town Meeting and to act fully thereon. By request of the Waterways and Beach Committee.

Motion: To accept and adopt and that the sum of five thousand dollars (\$5,000.00) be raised and appropriated for this purpose. Action: So voted.

Article 68. To see if the Town will vote to raise and appropriate the sum of seventy-five hundred dollars (\$7,500.00) for the purpose of relocating and extending where necessary, jetties and improving Town-owned beach at Shore Road, West Harwich as shown on Land Court Plan #5265B, Lots 36 and 37 and to act fully thereon. By request of Robert R. Larkin and others.

Motion: To indefinitely postpone.

Action: So voted.

Vote was questioned and a standing vote was taken with the following results:

Yes 162
No 53

Article 69. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000.00) to—
1. Prepare a new plan of lots 36 and 37, Town-owned land south of Shore Road in accordance with Land Court requirements . . . 2. To present said plan to the Land Court with a petition that it be approved or modified and approved by the Court and that the Town's certificate of Title #845 be amended as to the description therein of said lots 36 and 37 so that said lots will be described as shown on, and with reference to, said new plan as submitted or as the same may be modified and approved by the Court and to act fully thereon. By request of the Board of Selectmen.

Motion: To accept and adopt and that the sum of one thousand dollars (\$1,000.00) be raised and appropriated for this purpose.

Action: So voted.

Article 70. To see if the Town will vote to authorize the Board of Health to re-oil the parking lots at the Town-owned beaches, to re-paint the parking lines and to raise and appropriate a sum of money for this purpose and to act fully thereon. By request of the Board of Health.

Motion: To accept and adopt and that the sum of one thousand two hundred dollars (\$1,200.00) be raised and appropriated for this purpose.

Action: So voted.

Article 71. To see if the Town will vote to raise and appropriate the sum of six hundred dollars (\$600.00) for the purpose of providing a Life-Guard at the Pleasant Road Beach in West Harwich and to act fully thereon. By request of Gerard L. Hawkins and others.

Motion: To accept and adopt and that the sum of six hundred dollars (\$600.00) be raised and appropriated for this purpose.

Action: So voted.

Article 72. To see if the Town will vote to amend the By-Law re: Parking at Town-owned beach at Pleasant Road, West Harwich by inserting the following new section:

('Section 1-B—Free Parking at the Town-owned beach at Earle Road, West Harwich shall be allowed only to residents and property owners of the Town and their guests' and to act fully thereon. By request of Richard T. Wales and others.

Motion: To accept and adopt.

So voted unanimously.

Article 73. To see if the Town will vote to raise and appropriate the sum of nine hundred dollars (\$900.00) to defray the cost of police at the Town-owned beach at Earle Road, West Harwich for 1964 and to act fully thereon. By request of Richard T. Wales and others.

Motion: To accept and adopt and that the sum of six hundred dollars (\$600.00) be raised and appropriated for this purpose.

Action: So voted.

Article 74. To see if the Town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) for the purpose of leasing a parcel of beach land abutting the Town-owned beach at the foot of Bank Street, according to a plan on file with the Town Clerk, from Douglas Allison for the months of June, July, August and September, 1964, and to act fully thereon. By request of the Board of Selectmen.

Motion: To accept and adopt and that the sum of five hundred dollars (\$500.00) be raised and appropriated for this purpose.

Action: So voted.

Article 75. To see if the Town will vote to instruct the Board of Health to construct comfort stations in accordance with plans on file at the office of the Board of Health at the following locations:

1. Red River Beach, South Harwich; 2. Earle Road Beach, West Harwich; 3. Pleasant Road Beach, West Harwich; 4. Town Landing, Wychmere Harbor and to raise and appropriate a sufficient sum of money for the purpose and to act fully thereon. By request of the Board of Health.

Motion: To accept and adopt and that the sum of six thousand two hundred seventy-four dollars (\$6,274.00) be raised and appropriated for construction of one comfort station at Red River Beach, South Harwich.

Action: So voted.

Article 76. To see if the Town will vote to amend the Protective By-Law of the Town of Harwich by adding under Section 3, General, Page 36 of the Town's Rules, By-Laws and Regulations the following new paragraph and renumber (e), (f), and (g).

(c) After the word lot in this paragraph add a new sentence. Except in areas where 15,000 and 20,000 square foot lots are required then the frontage shall be not less than 100 feet.

(e) In all new subdivisions located in the following areas lot sizes must be not less than fifteen thousand (15,000) square feet; beginning at the northwest corner in North Harwich at the junction of Old Chatham Road (Kelley Street) entire area south of the Mid Cape Highway extending easterly and north of Old Chatham Road (Kelley Street) through to and including north side of Main Street, Harwich to Route 124 (Pleasant Lake Avenue) between Queen Anne Road and north side of the old Chatham Branch R.R. to Route 39 (Orleans Road) to the junction of Queen Anne Road and Route 39 (Orleans Road).

Not less than twenty thousand (20,000) square feet in the entire area north of the Mid Cape Highway from the Dennis line to Brewster and Chatham lines, also including the area east of Route 39 (Orleans Road) north of the Chatham Road and Route 28, South Harwich to Chatham line and north to Queen Anne Road (largely an important watershed area) thence south and east of the Mid Cape Highway and north of Queen Anne Road to the Chatham and Brewster lines.

Change present note following (d) to read as follows and locate it immediately following new (e)

Note: It is not intended to require 15,000 and 20,000 square feet of lot area on subdivision plans previously filed and approved by the Harwich Planning Board where lot sizes are less than above. And to act fully thereon. By request of the Planning Board.

Motion: To accept and adopt.

Action: So voted by standing vote: Yes 152 No 20
Two-thirds vote necessary.

Article 77.—To see if the Town will vote to amend the Protective By-Law of the Town of Harwich by adding under Section 3, General a new paragraph (i)

(i) The following provisions shall apply to the design and use of motels wherever provided for in this By-Law:

1. LOT AREA:

Any motel hereafter erected shall be located on a lot of not less than twenty thousand (20,000) square feet.

2. DENSITY:

For each lot upon which a motel is to be erected, there shall be a minimum of two thousand (2,000) square feet of lot area for each of the first ten (10) motel units. For each motel unit in excess of ten motel units, there shall be provided an additional twelve hundred (1,200) square feet of lot area.

3. LOT FRONTRAGES:

Any motel hereafter erected shall be located on a lot having a frontage of not less than one hundred (100) feet on a street or way.

4. MAXIMUM BUILDING COVERAGE:

No motel or additions to a motel shall be erected or placed on a lot which will result in the covering by buildings of more than 30% of the lot.

5. MAXIMUM BUILDING HEIGHT:

The maximum height of any motel shall be two stories. For each group of five (5) motel units above the ground floor a separate and independent stairway or direct access to the ground for fire exit purposes shall be provided.

6. YARD DIMENSIONS:

For each lot upon which a motel is erected there shall be provided a front yard or set-back distance as in (a) above of not less than twenty-five (25) feet; a side yard on each side of not less than ten (10) feet; and a rear yard of not less than ten (10) feet. No other uses are permitted in these yard areas except that of a driveway in the front yard. All yard areas shall be appropriately landscaped and adequately maintained.

7. PARKING REQUIREMENTS:

Automobile parking space shall be provided on the lot upon which a motel is erected at the ratio of one (1) parking space for each motel unit, plus one (1) additional space for each ten (10) motel units or fraction thereof.

8. SITE PLAN APPROVAL:

A site plan for each proposed motel shall be submitted to the Board of Selectmen with the request for a building permit. Said site plan shall show, among other things, all existing and proposed buildings, structures, parking spaces, driveway openings, driveways, service areas, and other open uses, all facilities for sewage, refuse and other waste disposal, and for surface water drainage, and all landscape features (such as fences, walls, planting areas and walks) on the lot. Three copies (3) of the site plan shall be filed with the Board of Selectmen, one (1) of which shall be forwarded forthwith to the Plan-

ning Board for its review and recommendations. In reviewing a site plan, the Planning Board and the Board of Selectmen shall consider, among other things, the following:

- (a) Protection of adjoining premises and the general neighborhood from any detrimental use of the lot.
- (b) Convenience and safety of vehicular and pedestrian movement within the site in relation to adjacent streets, properties or improvements.
- (c) Adequacy of the methods of disposal for sewage, refuse and other wastes and of the methods of drainage and surface water.
- (d) Provision for off-street loading and unloading of vehicles incidental to the servicing of the buildings and related uses on the lot.
- (e) Adequacy of all other municipal facilities relative to fire and police protection, education, recreation and other municipal services.
- (f) The Planning Board shall make its report and recommendations on the site plan in writing to the Board of Selectmen within thirty (30) days after the hearing before the Board of Selectmen and if it shall fail to do so, the Board of Selectmen may act without such report and recommendation.

and to act fully thereon. By request of the Planning Board.

Motion: To accept and adopt.

Motion: To adjourn the Annual Town Meeting until 7:30 Monday night, March 9, 1964.

Motion to adjourn defeated.

At this point the Town Meeting quorum was questioned and the Moderator ordered a count taken showing that there were 233 voters present.

Action taken on Original Motion to accept and adopt.

Action: So voted unanimously.

Note: After action was taken on Article 77, a resolution was introduced to the Town Meeting (see end of Report).

A standing vote was taken to see if the voters would accept the resolution, with the following results: Yes 121

No 50

Article 78. To see if the Town will vote to amend its Protective By-Law adopted February 13, 1952 and amended thereafter, to designate Route 124 (commonly called Pleasant Lake Avenue) from Harwich Center to the Brewster line as

a commercial district, and to act fully thereon. By request of Richard E. Gomes and others.

Motion: To indefinitely postpone.

Action: So voted.

Article 79. To see if the Town will vote to amend its Protective By-Law, adopted February 13, 1952, and amended thereafter to designate Route 124 (commonly called Pleasant Lake Avenue) from Harwich Center to Queen Anne Road as a commercial district and to act fully thereon. By request of Richard E. Gomes and others.

Motion: To indefinitely postpone.

Action: So voted.

Article 80. To see if the Town will vote to amend the Protective By-Law of the Town of Harwich to include a provision under Section 5, Administration, to provide as follows:

"Filing fee. The Town Clerk shall require a filing fee of fifteen dollars (\$15.00) to be paid at the time a Notice of Appeal and Petition for Public Hearing is filed," and to act fully thereon. By request of the Board of Appeals.

Motion: To accept and adopt and a \$15.00 filing fee be required.

Action: So voted by standing vote:	Yes 219
	No 4

Article 81. To see if the Town will vote to amend the Protective By-Law of the Town of Harwich in the following manner:

By inserting in Section 3. General, after paragraph (), a new paragraph, () to read as follows:

() Among other purposes this By-Law is intended and designed to conserve the natural conditions, wild life, and open spaces for the education, recreation, and general welfare of the public, to protect and preserve the natural features and resources; to avoid undue concentration of population; to avoid overcrowding of land; to protect the public health and safety; to protect persons and property against the hazards of flood water inundation; to protect the community against the costs which may be incurred when unsuitable development occurs in the swamps, marshes, along water courses, or in areas subject to flooding; to encourage the most appropriate use of the land; to preserve and maintain the ground water table and the water supply; to conserve the value

of the land and buildings; and to preserve and increase the amenities of the Town, and to act fully thereon. By request of the Conservation Commission.

Motion: To accept and adopt.

Action: So voted unanimously, by standing vote.

Article 82. To see if the Town will vote to amend the Protective By-Law of the Town of Harwich in the following manner:

By inserting in Section I, Establishment of Districts, in the first sentence of the first paragraph after the words, "Agricultural Districts" the following: and (d) Conservancy Districts;" by changing the word "three" in this same sentence to read "four"; and by striking out the word "and" which follows the words "Industrial Districts" so that this first paragraph will read as follows:

Section I Establishment of Districts

Establishments of Districts: In accordance with Chapter 40 of the General Laws, Section 25-30B and subsequent amendments thereto, the Town of Harwich is hereby divided into four types of Districts designated as (a) Commercial Districts, (b) Industrial Districts, (c) Residential and Agricultural Districts, and (d) Conservancy Districts. Above Districts are being located as shown on the Protective By-Law map for the Town of Harwich and is dated and filed with the Town Clerk. They are as follows:

By inserting in Section I, Establishment of Districts, after paragraph (c) Residential and Agricultural Districts, a new paragraph, (d) to read as follows: Conservancy Districts: Conservancy Districts shall consist of the areas which are bounded and described as follows:

1. Herring River Marsh Conservation Area.

Nantucket Sound on the south; Great Western Road on the north; and on the westerly side by Harbor Road, Riverside Drive, North Road, Smith Street, Depot Road and the Dennis Town line and Depot Street; and on the east by Strandway; west, Mill Point Road; Riverway; Strandway; Lower County Road; Chase Street; Route 28 (Main Street) to Sisson Road; South Street and Main Street to Great Western Road.

2. Muddy Creek Conservation Area.

Route 28 on the northeast; Bay Road on the north; Church Street on the west; Queen Anne Road on the south and southwest and Harwich-Chatham line on the southeast.

3. Red River Conservation Area.

By south Chatham Road on the north; Uncle Venies Road on the west; Red River Town Beach on the south; and the Harwich-Chatham Town line on the east.

By inserting in Section 2. Use Regulations, after paragraph 3. In residential and agricultural districts, a new paragraph, 4, to read as follows:

4. Use Regulations in the Conservancy Districts shall be those set forth in paragraph 1, 2, and 3 of this Section 2, insofar as the regulations in these paragraphs are applicable to the area within the Conservancy Districts and, in addition, the area within the Conservancy Districts shall be subject to the following Use Regulations:

Except as it is customarily necessary to agriculture or cranberry farming, except as it is necessary to flood control or drainage works by a public agency, except for municipal use or use of municipal property, there shall be no land fill or dumping, no dredging or land excavation, and no permanent storage of materials and equipment in the marshlands, swamp lands, ponds, lakes, rivers, streams, and lands subject to periodic or seasonal flooding and to act fully thereon.

By Request of the Conservation Commission.

Motion: To accept and adopt.

Action: So voted by standing vote:

Yes 249

No 44

Two-thirds vote being necessary, it was a vote.

Article 83. In order to demonstrate its deep concern for the protection of its shores, lakes, and inland waterways from pollution and contamination by reason of chemicals, waste and sewage; to see if the Town will vote to request that its Board of Health adopt the following regulations: "The installation of a cesspool, septic tank, or sewage system of any description within 100 feet of the mean high water mark of any great pond, inland waterway, harbor, or ocean shore within 100 feet of the mean high water mark of any natural body of surface water which acts as a source for said pond, waterway, harbor or shore is prohibited. Exceptions to this regulation may be made by the Board after a duly advertised public hearing called for the purpose of showing sufficient cause for such an excep-

tion." and to act fully thereon. By request of the Conservation Commission.

Motion: To accept and adopt.

Action: So voted.

Article 84. In order to acquire title to municipal property in the most economical and orderly manner, in order to avoid the possibility of having to purchase at some future date land which the Town once held for taxes, and in order to provide municipal property for the future needs of the Town; to see if the Town will vote to request that its Treasurer use his authority to retain for the Town of Harwich, any property which he may hold for non-payment of Taxes, and rather than disposing of such property at public auction, that he proceed under Section 65 or any other pertinent section of Chapter 60 of the General Laws to take title to such property for the Town and to act fully thereon. By request of the Harwich Conservation Commission.

Motion: To indefinitely postpone.

Action: So voted.

Article 85. To see if the Town will vote to accept and adopt the Revision of Building and Fire Prevention By-Law of the Town of Harwich as follows:

RULES AND REGULATIONS

Section 1. (same as present)

Section 2. Notification of intent to build etc.

Par. 1. A permit shall be required for all buildings or structures to be erected, altered, reconstructed or moved to a new foundation within the limits of the Town of Harwich excepting small accessory buildings not to be used for the purpose of habitation and having a floor space of less than 100 square feet.

Par. 2 This code shall not apply to:

1. Buildings for which a Commonwealth of Massachusetts permit is required.
2. Buildings or structures owned by the United States or the Commonwealth of Massachusetts.
3. Bridges, quays, wharves.
4. Farm-buildings or structures not in either case used as dwellings, and located more than 100 feet from any dwelling, if approved by the Building Inspector.
5. Shall not apply to ordinary repairs to buildings provided such repairs to buildings do not include the removal of walls which tend to weaken the structure.

Section 3. Applications for building permits shall be accompanied by a plan of the lot showing the actual dimensions of

the lot and the exact location and size of building structures to be erected, together with location of cesspool and septic tank and water supplies and streets and alleys on and adjacent to the lot. A record of such applications and plans shall be kept on file in the office of the Building Inspector.

Section 4. Fee: The fee for each permit, payable to the Town of Harwich shall be at the rate of \$5.00 per dwelling, Commercial, \$10.00 and minimum fee \$1.00 for permit (100 square feet or under). A building permit shall become void if work is not started within 90 days from the date of issue. A new permit will thereafter-ward have to be obtained before work is begun.

Section 5. Front Yards: "Except in Commercially zoned areas."

Par. 1. All buildings shall not be less than twenty-five feet (25') from the street line.

Par. 2. All buildings shall not be less than ten feet (10') from property lines and all buildings intended for human habitation shall be at least twenty feet (20') from existing buildings, and twenty-five feet (25') from street lines.

Section 6. General Provisions Applicable to all Buildings.

Par. 1. All wooden construction in buildings hereafter erected shall be built with posts, studs and plates properly braced, framed and nailed so as to develop the maximum strength and rigidity consistent with the purpose for which they are to be used.

Par. 2. All materials used shall be of sufficient strength and size to safely carry the load to which they may be subjected without exceeding the allowable working strength.

Section 7. Excavation

Par. 1. All excavations shall extend to solid ground.

Par. 2. All loam, vegetation and stumps shall be removed from within the building area.

Par. 3. All excavation for foundations and outside fireplaces shall extend at least 24 inches below finished grade. Fireplaces and chimney foundations inside of basements or outside of basement walls shall extend to basement depth.

Section 8. Sewerage (same as present)

Section 9. Footings: All footings shall be poured concrete. Minimum footings shall be as follows:

1. Under foundations of 8" concrete blocks or 8" poured concrete of one story buildings six inches thick and a 3" projection on either side of wall.

2. Under foundations of 8" concrete block or 8" poured concrete of one and a half and not more than two story buildings eight inches thick and a four inch projection on either side of wall.
3. Under foundations of 10" concrete at least eight inches thick and a five inch projection on either side of wall.
4. Under foundations of 12" concrete blocks or 12" poured concrete at least eight inches thick and a six inch projection on either side of wall.
5. Under all lally columns or posts twenty inches by twenty inches by ten inches thick.
6. Under eight inch by sixteen inch concrete block piers twenty-eight inches by twenty-eight inches.
7. Pier footings carrying weight of first floor joists and girders only, can be twenty inches by twenty inches by six inches.
8. Under fireplaces and chimneys the footing shall be at least eight inches thick and shall project on all sides at least six inches. Outside fireplaces and chimneys shall have a footing at least eight inches thick and at least a six inch projection on two sides and a twelve inch projection on the outer side.

Section 10: Foundations:

1. All foundations shall be of such width and thickness as to safely resist the superimposed load without exceeding the allowable working strength and can be of concrete, blocks, brick or stone. Foundation walls shall not be built on concrete floors.
2. All foundations shall be of continuous masonry walls exclusive of excess openings, windows, doors or vents.
3. Eight inch thickness for all masonry walls (blocks or poured concrete) up to eight feet below finish grade. Maximum total height of foundation wall and wall supported to be not more than thirty feet to eaves and thirty-five feet to ridge.
4. Ten or twelve inch thickness for all masonry walls that extend more than eight feet. 10 inch poured.
5. Ten inch walls optional up to eight feet below finish grade.

Par. 2. Piers for girders.

1. First floor girders must rest on solid masonry or steel columns of sufficient strength. Teleposts may be used as approved by the Building Inspector.

2. In block foundations, cells of blocks below girder must be filled with concrete to form a solid bearing.

Par. 3. All areas under buildings with crawl space must be accessible with a minimum clearance of 24" and be ventilated in two outside walls.

Section 11. Chimneys — as per section 5 of the Town of Harwich Building Code.

Concrete floors: Basement floors, garage floors, terrace floors and house slab floors shall be at least four inches thick. House slab floors shall be reinforced with number 10 wire mesh.

All loose fill shall be well tamped and puddled before receiving concrete.

Section 12. Framing:

Par. 1. Wood floor joists — where joists frame into side of wood girders, metal hangers or a bearing strip spiked under each joist to the girder must be used.

Floor joists framed into masonry walls shall have at least a four inch bearing and a three inch fire or bevel cut.

Floor joists shall be doubled or tripled under all bearing parallel partitions. To receive pipes they shall be separated with blocks of the same depth spaced not over sixteen inches on centers.

All floor joists headers over four feet long shall be doubled and well secured to double trimmers.

Floor joists shall be cross bridged when spans exceed eight feet with at least one by three inch stock or its equivalent. Spans eight feet to fourteen feet one row. Spans fourteen feet to twenty feet two rows. Bearing girders shall not be placed more than two feet from bearing partitions.

All girder joints shall be made on bearings only, with solid wood girders spliced and built up wood girders with joints staggered.

Steel girders may be used providing they are of the proper size and weight.

Wood girders should be of well seasoned stock and shall be of construction grade or better.

Studding — All outside walls and bearing partitions shall not be less than 2" x 4". Studs shall be placed not over sixteen inches on centers. Shoe and plates shall be the width of the studs. Plates shall be doubled and shall lap at all corners. All openings in outside walls and bearing partitions shall have double headers or shall be trussed. All headers must

rest on jack studs. Non-bearing partitions can be 2 x 4 or 2 x 3 with studs placed not over sixteen inches on centers. All openings shall be double vertical studded. The outside studs shall extend from shoe to plate and the inside jack stud shall extend from shoe to header. Window openings over 5' shall have double headers at bottom of openings. Studs in exterior frame walls may run from sill or shoe to second floor plate provided they do not exceed twenty feet in length. Where studs are continuous the floor joists shall bear on at least a one inch by six inch ribbon or girt notched into the inside face of studs. Joists bearing on such ribbons or girts shall be spiked to sides of studs.

Sills and joists relationship — All first floor joists shall frame into at least a sill member on edge of the same depth dimension as the joists at the foundation whether they are sized down or not. When the L type sill is used it shall have one member on the flat and one member on edge. No floor joist shall be sized down to over one third of its depth regardless of the sill construction and then it shall have a long bevel cut to prevent splitting.

Notching of timbers—Notching of joists to facilitate the installation of pipes and ducts may be permitted with the following limitations. Top and bottom edges may be notched not to exceed one sixth of the joist depth. Notching will not be permitted in the middle third of any joist span. If cutting of a floor joist to more than one sixth of its depth is necessary, a header the full depth of the joist shall be cut to support the ends of the joists. Holes may be bored through the timbers if they do not exceed two and a half inches in diameter and not closer than two inches to the top or bottom edges of the joist.

Section 13.

Wood Rafters—The maximum spans for all wood rafters shall not exceed those given in the table, as set forth by the "Architectural Graphic Standards". Truss construction may be used provided it is of a strength comparable to the above, and if approved by the Building Inspector.

Rafters on roofs with slope of less than five inches shall be figured the same as floor joists.

Sheathing:—Sub floor matched and square edge boarding or $\frac{5}{8}$ " exterior glued plyscord. Side wall boarding matched and square edge boarding or $\frac{1}{2}$ " and $\frac{5}{8}$ " exterior glued plyscord or $\frac{3}{4}$ " insulating board such as Strongboard, Nu-Wood board and others of the same type.

Roof boarding:— $\frac{3}{4}$ " matched dry boarding for asphalt shingles, $\frac{3}{4}$ " dry matched and square edge boarding for wood shingles or exterior glued plyscord. $\frac{1}{2}$ " on roofs when rafter spacing is sixteen inches on centers, and $\frac{5}{8}$ " on roofs when rafters are spaced twenty-four inches on center. Plyscord sheathing shall be nailed not over 8" on centers.

Firestops:—Firestops shall be installed in all outside walls and partitions at first, second and attic level, which shall completely cut off all openings and be of non-combustible materials or at least one inch and a half of wood.

Collar ties:—Collar ties in unfinished attics shall be not less than 2 x 4 inches or equivalent and spaced not over six feet on centers.

Section 14.

Firewalls:—All Commercial buildings having more than one store, apartment houses having more than one entrance and motels shall have masonry firewalls. Each two units of a motel shall have a masonry firewall partition. All firewall partitions shall extend from solid earth bearing to the under side of the roof sheathing, and shall rest on a footing. Where basements exists, firewalls shall start from bottom of basements. Basement wall to 8" minimum and 4" wall from first floor to underside of roof bands.

No portion of a dwelling or other structure shall be used as a garage unless the portion so used shall be separated from the rest of the building by a non-combustible wall and a non-combustible ceiling, unless said garage is separated from said building or other structure by a "breezeway" at least six feet in length. The same shall apply to garage space under wood structures.

Minimum materials for fireproofing walls and ceilings; Fiber glass or rock wool insulation between joists and studs. Asbestos board, sheet rock or plaster over the joists and studs. Access opening to attic to be 20" x 20" minimum.

Framing Tables

Table 1

Up to 4'	2-2x4's on edge 1-4x4
5½'	2-2x6's on edge 1-4x6
7'	2-2x8's on edge 1-4x8
10'	2-2x10's on edge 1-4x10
16'	2-2x12's on edge 1-4x12

In lieu of headers, approved trusses may be used.

Table 2

Maximum Spans for Wood Girders carrying floor joists and bearing partitions.

Size in inches—Maximum clear span

1 Story Dwellings	1½ and 2 Story Dwellings
4x6 or 3-2x 6's	5'-0"
6x6 or 4-2x 6's	6'-0"
4x8 or 3-2x 8's	6'-4"
6x8 or 4-2x 8's	8'-0"
4x10 or 3-2x10's	8'-0"
6x10 or 4-2x10's	9'-0"
4x12 or 3-2x12's	9'-0"

Notes: The above spans are based on a minimum fiber stress of 1,200 lbs. Construction grade Douglas fir and Construction grade West Coast Hemlock are 1,200 lbs. stressed woods.

When the allowable fiber stress of the species of wood used in other than 1,200 lbs., spans shall not exceed those determined by established engineering practice.

Steel I beams or steel channel beams may be used in place of wood provided they equal or exceed the strength of the wood girders.

When girders carry the weight of first floor joists only, the spans in the above table may be increased.

Table 3

Maximum spans for Floor Joists for 40 pounds live loads with plastered or sheetrocked ceilings, or 50 pounds live load without plastered or sheetrocked ceilings.

Maximum Clear Span Construction grade
with not over 20%
standard grade

Lumber Size	Spacing center to center	Minimum Fiber Stress		Minimum Fiber Stress	
		1,200 lbs.		1,000 lbs.	
		Douglas Fir	West Coast Spruce	Western Hemlock	West Coast White Fir
		Long Leaf Yellow Pine			
In.	Ft.	In.	Ft.	In.	In.
2x6	12	10	0	9	4
	16	9	1	8	6
2x8	12	13	2	12	5
	16	12	1	11	4
3x8	12	15	4	14	4
	16	14	0	13	2
2x10	12	16	8	15	8
	16	15	3	14	4
3x10	12	19	3	18	1
	16	17	8	16	9
2x12	12	20	1	18	10
	16	18	5	17	3

Notes:—Where the allowable fiber stress of the species of wood used is in excess of 1,200 lbs., the size and span of the joists shall be determined on the same basis as used for this table.

Table 4
Maximum Spans for Ceiling Joists

Live load — none, dead load 10 pounds per square foot. No storage.

Lumber size	Spacing center to center	Maximum Clear Span Construction Grade		
		with not over 20% Standard Grade		
		Minimum Fiber Stress 1,200 lbs.	Minimum Fiber Stress 1,000 lbs.	
		Douglas Fir	West Coast Spruce	
		Western Hemlock	West Coast White Fir	
		Long Leaf Yellow Pine		
	In.	Ft.	In.	Ft.
2x4	12	11	0	10
	16	10	0	9
	24	8	11	8
2x6	12			
2x6	12	16	7	15
	16	15	4	13
	24	13	8	12
2x8	12	21	7	19
	16	20	1	18
	24	17	11	16
2x10	12	26	9	24
	16	25	0	22
	24	22	5	20

Note:—Where the attic space above the ceiling joists is unfinished but is usable for storage space, or if the space is suitable for finishing into future habitable rooms, the spans for the ceiling joists shall be figured the same as for floor joists.

Table 5
Maximum clear spans of rafters for wood or asphalt shingle roofs.

Roofs:

Rafters for slate, tile or rigid asbestos cement shingle roofs shall be of sufficient size to carry the load.

Assumed total live and dead load — 40 lbs. per square foot. Clear span shall mean the distance measured horizontally from the plate to a point directly beneath the ridge. When a collar tie is used on each rafter not over half way up, the clear span distance shall be taken from the intersection of

the rafter along the top edge and the collar tie at the top edge measured horizontally to a point directly beneath the ridge. When an angle tie brace is used on each rafter and joist one third of the total span, the clear span distance shall be measured from the intersection of rafter and brace to a point directly beneath the ridge.

For Roofs with a Minimum Pitch of 5" to 12"

**Maximum Clear Span for Construction Grade
with not over 20%**
Standard Grade

Lumber Size	Spacing Center to Center	Minimum Fiber Stress		Minimum Fiber Stress	
		Douglas Fir	West Coast Spruce	Western Hemlock	West Coast White Fir
		Long Leaf Yellow Pine			
	In.	Ft.	In.	Ft.	In.
2x4	12	9	4	8	6
	16	8	1	7	4

	16	20	4	10	12
	20	18	10	17	5
	24	17	4	15	10

Notes:—Where the allowable fiber stress of the species of wood used is in excess of 1,200 lbs., increased spans will be permitted provided they are determined on the same basis as used for this table.

Rafters on roofs with pitches less than 5" to 12" shall be figured same as floor joists.

Before the frame of any building is covered with any interior wall covering the Building Inspector shall be notified, and inspection shall be made by him before said wall covering is applied. Said inspection to be within 48 hours after notification and to act fully thereon.

By request of Committee to Revise Building Code.

Motion: To accept and adopt.

Amendment made on Article:

Amendment: That the Article be amended under Section 11; concrete floors; minimum thickness for basement floors shall be $2\frac{1}{2}$ ".

Action on Amendment: So voted.

Article now reads the same as before except for section 11 which now reads: concrete floors; minimum thickness for basement floors shall be $2\frac{1}{2}$ " thick, garage floors, terrace floors, and house slab floors shall be at least 4" thick. House slab frames shall be reinforced with number 10 wire mesh.

All loose fill shall be well tamped, and puddled before receiving concrete.

Motion: To accept and adopt as amended.

Action: So voted unanimously by standing vote.

Article 86. To see if the Town will vote to amend its By-Laws by adopting the following:

INSPECTION OF GAS PIPING AND GAS APPLIANCES

Section 1. The Selectmen shall appoint an inspector of gas piping and gas appliances in buildings whose duty shall be the enforcement of the rules and regulations adopted by the Board established under Section twelve H of Chapter twenty-five of the General Laws (Ter. Ed.) and amendments thereto.

Section 2. Whoever desires to install or alter gas appliances shall first make application to the Gas Inspector, and obtain a permit therefor. Such application shall be made in the name of the owner or occupant of the building or structure by the person or persons who propose to make the installation of such equipment. The Gas Inspector shall grant a permit authorizing such installation or alteration provided such proposed installation or alteration complies with the laws of the Commonwealth and the rules and regulations adopted by the Board established under said Section twelve H of Chapter twenty-five, and a fee of \$1.00 shall be charged for each permit and to act fully thereon. By request of the Board of Selectmen.

Motion: To accept and adopt.

Action: So voted.

Article 87. To see if the Town will vote to amend the By-Laws of the Town of Harwich as follows: under Article VII, Town Counsel, Section 1., by striking out the words

"and a resident of the Town" so that this section will read as follows: "Section 1: The Selectmen shall annually appoint a Town Counsel, who shall be an attorney and counsellor at law and who shall hold office for the term of one year from the first day of April until his successor is appointed and qualified. He shall receive such compensation as the Selectmen may determine, subject to the appropriation of the Town therefor and to act fully thereon. By request of the Board of Selectmen.

Motion: To accept and adopt.

Action: So voted unanimously.

Article 88. To see if the Town will vote to amend the By-Laws of the Town of Harwich as follows: under Article VII Town Counsel, Section 1A by striking out the entire section and substituting therefor the following new section: "Section 1A: The Selectmen may engage the services of attorneys other than the appointed Town Counsel to act as Counsel for the Town or any of its departments in any particular matter as the Selectmen may deem advisable, and they shall receive such compensation as the Selectmen may determine, subject to the appropriation of the Town therefor." and to act fully thereon. By request of the Board of Selectmen.

Motion: To accept and adopt.

Action: So voted unanimously.

Article 89 To see if the town will vote to amend the by-laws of the Town of Harwich to include the folowing in accordance with paragraph 1 of Section 21 of Chapter 140 of the General Laws:

No person shall behave in a rude, indecent or disorderly manner, or use profane, indecent or insulting language, or shout, scream and/or utter loud outcries without reasonable cause, in any public place in the town to the annoyance or disturbance of any person there being or passing, or loiter on any sidewalk or street or about doorways or places of business to the annoyance or disturbance of any person. Any person violating any of the provisions of this By-Law shall be fined not more than twenty dollars for each offense and to act fully thereon. By request of the Chief of Police.

Motion: To accept and adopt.

Amendment: By inserting in the second sentence after the words shall be, the words "subject to arrest and any person convicted of this offense shall be", so that the last sentence shall read "any person violating any of the provisions of this by-law shall be subject to arrest and any person con-

victed of this offense shall be fined not more than twenty dollars (\$20.00) for each offense and to act fully thereon.

Action on Amendment: So voted.

Motion: To accept and adopt as amended.

Article now reads as amended:

No person shall behave in a rude, indecent or disorderly manner, or use profane, indecent or insulting language, or shout, scream, and/or utter loud outcries without reasonable cause, in any public place in the town to the annoyance or disturbance of any person there being or passing, or loiter on the sidewalk or street or about doorways or places of business to the annoyance or the disturbance of any person. Any person violating any of the provisions of this by-law shall be subject to arrest and any person convicted of this offense shall be fined not more than twenty dollars (\$20.00) for each offense, and to act fully thereon.

Action: So voted unanimously as amended.

Article 90. To see if the Town will vote to accept the following by-law:

"No person except an officer of the law in performance of his duties, shall enter upon or remain upon the premises of another with the intention of peeking, spying or looking into the window, door or other aperture of a house or other structure, in any manner upon any person or persons therein. Any person found violating this by-law shall be subject to arrest and any person convicted of this offense shall be punished by a fine of not less than ten dollars (\$10.00) nor more than twenty dollars (\$20.00) and to act fully thereon.

Motion: To accept and adopt.

Action: So voted unanimously.

Article 91. To see if the town will vote to accept the following By-Law as authorized under Chapter 40, Section 21, Sub. Section 1 of the General Laws:

"It shall be unlawful for any person to consume alcoholic beverages on public highways or in public parking places, including vehicles thereon, within the Town of Harwich. Whoever violates the provisions of this by-law shall be fined an amount not exceeding twenty dollars (\$20.00) for each offense and to act fully thereon.

Motion: To accept and adopt.

Amendment made: By inserting in the third paragraph after the words shall be, the words "subject to arrest and any person convicted of this offense shall be", so that the last sentence shall read "Whoever violates the provisions of this

by-law shall be subject to arrest and any person convicted of this offense shall be fined an amount not exceeding twenty dollars (\$20.00) for each offense and to act fully thereon."

Action: (On Amendment) So voted.

The Article now reads:

To see if the town will vote to accept the following By-Law as authorized under Chapter 40, Section 21, Sub. Section 1 of the General Laws: "It shall be unlawful for any person to consume alcoholic beverages on public highways or in public parking places, including vehicles thereon, within the Town of Harwich. Whoever violates the provisions of this by-law shall be subject to arrest and any person convicted of this offense shall be fined an amount not exceeding twenty dollars (\$20.00) for each offense and to act fully thereon.

Motion: To accept and adopt as amended.

Action: So voted unanimously as amended.

Article 92. To see if the Town will vote to instruct the Board of Health to adopt the following regulations:

Section I

Any owner or agent, who shall offer for rent or lease any building or portion thereof to be used for habitation, other than a duly authorized or licensed premise, for a period of ninety days or less shall first register with the Health Inspector, who shall determine the number of persons said building or portion thereof can legally accommodate.

Section II

Upon the arrest and conviction for violation of any statute of the Commonwealth reported to have taken place on any such rented or leased premises as described in Section 1, the tenant, holder of a lease, and anyone found to be in violation of the preceding Section shall be punished by a fine of not less than twenty dollars (\$20.00), if at the time of said violation it was found that the number of occupants or persons on or about any such premises exceeded 200 percent of the registered occupancy as required by the provisions of Section I of this act, or the amount so to be determined by the Health Inspector if no such registration shall be in effect.

Section III

Any building or portion thereof registered as required by the provisions of this (Act), shall have conspicuously posted therein a certificate of registration together with a copy of this (act), and to act fully thereon. By request of the Board of Health.

Motion: To accept and adopt.

Action: So voted.

Article 93. To see if the Town will vote to amend the By-Laws of the Town of Harwich in the following manner: Under Article 2. "Procedure at Town Meeting", after section 10, inserting a new section, Section 11 to read as follows: "Section 11. Amendments to any and all Town By-Laws, excepting the Personnel By-Law, shall require a two-thirds (2/3) majority to prevail," and to act fully thereon. By request of Alan T. Hunt, Moderator.

Motion: To accept and adopt.

Action: So voted unanimously.

Article 94. To see if the Town will vote to raise and appropriate a sufficient sum of money not to exceed six hundred dollars (\$600.00) to be expended under the direction of the Selectmen for the purpose of putting a suitable rail fence around the old Methodist Cemetery on Queen Anne Road in East Harwich in order to prevent further desecration of said cemetery and to act fully thereon. By request of Beatrice E. Webster and others.

Motion: To indefinitely postpone.

Action: Not voted.

Motion: To accept and adopt, and that the sum of six hundred dollars (\$600.00) be raised and appropriated for this purpose.

Action: So voted.

Article 95. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) to be expended under the direction of the Selectmen for recreation and amusement in the form of baseball and basketball. The above sum to be expended for equipment, insurance and referees in the operation of the Harwich A.A. baseball, basketball and minor league teams and to act fully thereon. By request of the Harwich Athletic Association.

Motion: To accept and adopt, and that the sum of five hundred dollars (\$500.00) be raised and appropriated for this purpose.

Amendment: Accept and adopt and that the sum of two thousand dollars (\$2,000.00) be raised and appropriated.

Action: Amendment lost.

Action on first motion: So voted.

Article 96. To see if the Town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) for recreation and amusement in the form of baseball for the Junior Legion Team and to act fully thereon. By request of American Legion Post #292.

Motion: To accept and adopt, and that the sum of one hundred fifty dollars (\$150.00) be raised and appropriated for this purpose.

Action: So voted.

(A Motion was offered to reconsider Article 96, but the motion lost by voice vote.)

Article 97. To see if the Town will vote to raise and appropriate the sum of fifteen hundred dollars (\$1,500.00) for the purpose of advertising and promotion in the Town of Harwich, to be spent by the Harwich Chamber of Commerce, providing the said Chamber of Commerce raises a like amount, and to act fully thereon. By request of Philip V. R. Thomson and others.

Motion: To indefinitely postpone.

Action: Not voted.

Motion: To accept and adopt, and that the sum of one thousand five hundred dollars (\$1,500.00) be raised and appropriated for this purpose.

Action: So voted.

Article 98. To see if the Town will vote to instruct the Board of Selectmen to appropriate the sum of seven hundred dollars (\$700.00) for the purpose of buying new Christmas Decorations for the Town of Harwich and to put said decorations up before Christmas 1964 and to act fully thereon. By request of the Harwich Junior Chamber of Commerce.

Motion: To indefinitely postpone.

Action: So voted by standing vote: Yes 134
No 84

Article 99. To see if the Town will vote to raise and appropriate the sum of nine hundred dollars (\$900.00) for the purpose of installing, maintaining and removing Christmas lights along the Main business sections in the Town, said money to be spent under the direction of the Board of Selectmen and to act fully thereon. By request of the Board of Selectmen.

Motion: To accept and adopt, and that the sum of nine hundred dollars (\$900.00) be raised and appropriated for this purpose.

Action: So voted.

Article 100. To see if the Town will vote to raise and appropriate the sum of two hundred fifty dollars (\$250.00) to be expended for miscellaneous administrative expenses of

the Conservation Commission and to act fully thereon. By request of the Conservation Commission.

Motion: To indefinitely postpone.

Action: So voted.

Article 101. To see if the Town will vote to accept from John H. Paine, as a gift, a deed of the triangular parcel of land known as the Robert V. Paine Memorial Square, located at the junction of Sisson Road and Forest Street in Harwich Center, said land to be used as it now is, as a Memorial Square for Robert V. Paine and to act fully thereon. By request of Oscar J. Cahoon and others.

Motion: To accept and adopt.

Action: So voted unanimously.

Article 102. To see if the Town will vote to raise and appropriate a sum not to exceed two hundred dollars (\$200.00) for the purpose of dedicating a memorial square in the name of Alton P. Hall and to act fully thereon. By request of American Legion Post #292.

Motion: To indefinitely postpone.

Action: Not voted.

Motion: To accept and adopt, and that no money be raised and appropriated for this purpose.

Action: So voted.

Article 103. To see if the Town will vote to raise and appropriate the sum of six hundred dollars (\$600.00) for the purpose of printing the Town by-laws in conjunction with Article 40 of the 1963 Annual Town Meeting and to act fully thereon. By request of the Board of Selectmen.

Motion: To accept and adopt, and that the sum of six hundred dollars (\$600.00) be raised and appropriated.

Action: So voted.

Article 104. To see if the Town will vote to raise and appropriate the sum of nineteen thousand five hundred dollars (\$19,500.00) for repairs to the exterior of the Exchange Building, work to be performed on the north, east, south and west sides of said building and to act fully thereon. By request of the Board of Selectmen.

Motion: To indefinitely postpone.

Action: So voted.

Article 105. To see if the Town will vote to raise and appropriate the sum of three hundred dollars (\$300.00) for the purpose of purchasing miscellaneous signs and to act fully thereon. By request of the Board of Selectmen.

Motion: To accept and adopt, and that the sum of three hundred dollars (\$300.00) be raised and appropriated for this purpose.

Action: So voted.

Article 106. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000.00) for the purpose of surveying and bounding various Town properties, including roads and to act fully thereon. Customary article.

Motion: To accept and adopt, and that the sum of one thousand dollars (\$1,000.00) be raised and appropriated for this purpose.

Action: So voted.

Article 107. To see if the Town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) for the purpose of making various improvements to the Herring Brook and to act fully thereon. By request of the Board of Selectmen.

Motion: To accept and adopt, and that the sum of five hundred dollars (\$500.00) be raised and appropriated for this purpose.

Action: So voted.

Article 108. To see what action the Town will take in regard to the Herring Fisheries for the year of 1964 and to act fully thereon. By request of the Board of Selectmen.

Motion: To indefinitely postpone.

Action: So voted.

Article 109. To see if the Town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) to be used under the direction of the Selectmen for expense incurred in the condemnation and destruction of old buildings and to act fully thereon. By request of the Board of Selectmen.

Motion: To accept and adopt, and that the sum of five hundred dollars (\$500.00) be raised and appropriated for this purpose.

Action: So voted.

Article 110. To see if the town will vote to raise and appropriate a sufficient sum of money for unpaid bills of previous years as provided for in Chapter 179 of the Acts of 1941 and to act fully thereon. Customary article.

Article 76 was DISAPPROVED on May 4, 1964.

ACCEPTANCE OF GENERAL LAWS — 1964

Voted at Town Meeting

Provisions of Chapter 697 of the Acts of 1963 (Authorizing a Town to establish a Historical Commission.)

LESLIE V. NICKERSON

Town Clerk

RESOLUTIONS PASSED AT THE ANNUAL TOWN MEETING — 1964

1st:—

BE IT RESOLVED that the voters of Harwich assembled at the Annual Town Meeting put themselves on record as being in favor of setting up ways and means, whereby the Harwich Junior Theatre, now at home in the Exchange Building, may acquire for its new facility, and without undue cost, selected materials and equipment which will become available upon the demolishing of the Exchange Building in 1964, and be it further resolved that these same voters put themselves on record as instructing the Board of Selectmen to see the execution of this resolve.

So voted.

2nd:—

A RESOLUTION to the effect that the Town direct the Planning Board, at its earliest convenience, to republish the Article #77, Paragraph V, to read maximum building height shall be one story and to act fully thereon.

Action taken on the Resolution:

So voted by standing vote: Yes 121; No 50.

3rd:—

BE IT RESOLVED that it is the sense of this meeting that the planning board take the necessary steps to amend the protective by-law of the town so that Route #124 (Commonly called Pleasant Lake Ave.) shall be a Commercial District from Main Street, Harwich Center, to Queen Anne Road.

So voted.

Town Clerk

HARBOR AND WATERWAYS
RULES AND REGULATIONS

Boat Speeds. No boat or vessel equipped with inboard or outboard power shall exceed five statute miles per hour between breakwaters, in Town improved channels, in any harbor or anchorage or within 100 yards of the shore

Mooring and Anchoring Boats. No boat or vessel shall moor or anchor in any established channel or fairway, or attach a line to any buoy, marker or aid to navigation. No mooring shall be placed in any Harwich harbor without the permission of the Harbormaster who will designate mooring areas and anchorages. Any vessel temporarily anchoring shall do so in such a manner as not to endanger any other boat, and the owners of such anchored boats may be directed to move by the Harbormaster. Any boat left unattended at any float or landing stage, and any vessel removed from the water and left on Town property will be removed at the expense of the owner. In the event that markings have been removed or defaced or if ownership can not be determined within 60 days, the boat may be sold at public auction, or destroyed by the Harbormaster.

There will be no charge for the use of Town maintained launching ramps, or for temporary tie-ups at floats or stages for periods not exceeding thirty (30) minutes.

Trash receptacles will be provided by the Town at all public landings. Persons disposing of trash and litter at any public landing other than by depositing same in receptacles provided, or who dispose of any trash, refuse, garbage or litter in any harbor, channel or waterway under the jurisdiction of the Town of Harwich shall be prosecuted.

The use of alcoholic beverages shall be prohibited on any Town landing or property owned or controlled by the Town of Harwich, and no person shall disturb the peace or commit any nuisance on or at any Town landing or property or on any harbor channel or waterway under the jurisdiction of the Town.

Persons violating any provision of these rules and regulations shall be subject to arrest and a fine of not more than \$50.00 for each such violation.

These rules and regulations shall be posted in a conspicuous place at each public landing and in such other locations as the Selectmen may determine.

MILTON H. WELT
RALPH U. BRETT
DOUGLAS ROCKWOOD
Board of Selectmen

Adopted May 31, 1964.

H. Heyworth Backus	2,081		
Nathan S. Ellis, Jr.	1,790	Blanks	1,069

QUESTION NO. 1**PROPOSED AMENDMENT TO THE CONSTITUTION**

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held March 29, 1961, received 219 votes in the affirmative and 26 in the negative, and in a joint session of the two branches held May 8, 1963, received 244 votes in the affirmative and 14 in the negative?

Yes	1,734	No	406	Blanks	330
-----	-------	----	-----	--------	-----

SUMMARY

The proposed amendment provides that the terms of office of the Governor, Lieutenant Governor, Secretary of the Commonwealth, Treasurer and Receiver General, Attorney General and Auditor shall be four years. Executive Councillors, Senators and Representatives shall continue to serve for two years. The four-year term for constitutional officers would become effective at the time of the November election in the year 1966.

QUESTION NO. 2**PROPOSED AMENDMENT TO THE CONSTITUTION**

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 238 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held May 8, 1963, received 246 votes in the affirmative and 2 in the negative?

Yes	1,977	No	166	Blanks	327
-----	-------	----	-----	--------	-----

SUMMARY

In the event that any public office, whether elective or appointive, shall become vacant as a result of enemy attack, the proposed amendment would enable the General Court to provide for prompt and temporary succession to the powers and duties of such offices, and to take steps to insure continuity of government of the Commonwealth and its political subdivisions.

QUESTION NO. 3**PROPOSED AMENDMENT TO THE CONSTITUTION**

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held March 29, 1961, received 251 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 8, 1963, received 252 votes in the affirmative and 3 in the negative?

Yes	1,784	No	285	Blanks	401
-----	-------	----	-----	--------	-----

SUMMARY

The proposed amendment provides that the credit of the Commonwealth may be given, loaned or pledged only by a two-thirds vote of each branch of the Legislature. In no event shall the credit of the Commonwealth be given or loaned to or for any individual, private association or corporation privately owned or managed.

QUESTION NO. 4**PROPOSED AMENDMENT TO THE CONSTITUTION**

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 220 votes in the affirmative and 24 in the negative, and in a joint session of the two branches held May 8, 1963, received 258 votes in the affirmative and 1 in the negative?

Yes	1,850	No	205	Blanks	415
-----	-------	----	-----	--------	-----

SUMMARY

The proposed amendment authorizes both the Governor and the Executive Council to require opinions of the Justices of the Supreme Judicial Court on questions of law. The present requirement that the Governor and Council agree before a question may be submitted would be annulled.

QUESTION NO. 5**LAW PROPOSED BY INITIATIVE PETITION**

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 109 in the affirmative and 109 in the negative and was disapproved in the Senate by a vote of 16 in the affirmative and 20 in the negative?

Yes	1,334	No	689	Blanks	447
-----	-------	----	-----	--------	-----

SUMMARY

The proposed measure provides that henceforth appointments in the executive branch of the government shall not require the advice and consent of the Governor's Council. Exceptions to this provision include appointments to the Youth Service Board, Industrial Accident Board, Commission of the Department of Public Utilities, Parole Board and Appellate Tax Board, which appointments shall continue to require Council action. However, should the Council fail to act upon such appointments within thirty calendar days, then the person involved shall be deemed to have been lawfully appointed. Any appointment in the executive branch by an officer other than the Governor which heretofore required Council approval shall henceforth require approval by the Governor.

Removals from office shall no longer require the advice and consent of the Council, except in the case of the Youth Service Board, which removals must still receive Council approval. As in the case of appointments still requiring Council

approval, such recommended removal from the Youth Service Board must be acted upon by the Council within thirty calendar days; otherwise the proposed removal shall become effective as if approval had been given. In the case of any appointment which heretofore required Council approval the Governor may, within fifteen days of the making of the appointment, remove the person appointed without cause.

The Council shall no longer be required to approve the fixing of any compensation for services rendered in the executive department. And henceforth there need be no approval by the Council of actions or agreements by executive officers, including but not limited to borrowings and loans, investments, leases, licenses, purchases and conveyances, and contracts, and also including the promulgation of rules and regulations.

Notwithstanding the foregoing, the Governor shall at all times remain free to seek the advice and consent of the Council upon any matter.

QUESTION NO. 6

LAW SUBMITTED UPON REFERENDUM AFTER PASSAGE

Do you approve of a law summarized below, which was approved in the House of Representatives by a vote of 180 in the affirmative and 40 in the negative and was approved in the Senate by a vote of 28 in the affirmative and 5 in the negative?

Yes	728	No	1,232	Blanks	510
-----	-----	----	-------	--------	-----

SUMMARY

Under the Act, effective as of January 1, 1964, each member of the General Court shall receive seventy-eight hundred dollars for each regular annual session, the President of the Senate and Speaker of the House of Representatives shall each receive the same amount as additional compensation, and the floor leaders of each of the major political parties in the Senate and House, the Chairman of the Senate Committee on Ways and Means and the Chairman and Vice-Chairman of that committee of the House, shall each receive thirty-nine hundred dollars as additional compensation, to be paid as provided in the Act. After the same date the annual expense allowance is to be six hundred dollars for each member and the travel allowance is to be eight cents per mile with a stated minimum and an alternative, and a member chosen to fill a vacancy or who resigns during a session is to be entitled to per diem compensation at the rate for each regular annual session and to the allowances for travel and other expenses for the time of his membership.

It is also provided that in addition to the compensation for the 1963 annual session the President of the Senate and Speaker of the House shall be paid thirty-nine hundred dollars, and floor leaders of each major political party in the Senate and House, the Chairman of the Senate Committee on Ways and Means and Chairman and Vice-Chairman of that committee of the House, shall be paid twenty-nine hundred and twenty-five dollars and each other member shall be paid nineteen hundred and fifty dollars. Each member shall also be entitled to an additional expense allowance of two hundred dollars for the calendar year 1963 and the travel allowance shall be at the rate of eight cents per mile with a stated minimum and an alternative for the balance of the calendar year 1963.

QUESTION NO. 7

A. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)?

Yes	1,596	No	557	Blanks	317
-----	-------	----	-----	--------	-----

B. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

Yes	1,556	No	488	Blanks	426
-----	-------	----	-----	--------	-----

C. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?

Yes	1,678	No	447	Blanks	345
-----	-------	----	-----	--------	-----

Report of the Town Accountant

January 29, 1965

The Board of Selectmen
Town of Harwich, Massachusetts

Gentlemen:

In accordance with Section 61 of Chapter 41, General Laws, I present herewith the following reports for the year ended December 31, 1964:

Receipts for the year
Detail of appropriations and expenditures
Town balance sheet December 31, 1964
Statement of town debt
Trust funds

We wish to thank the Selectmen, Department Heads and Town Employees for their help and co-operation during the year.

Respectfully submitted,

NORMAN T. WORGAN
Town Accountant

Report of the School Committee

To the Citizens of Harwich:

This has been a busy and eventful year in the annals of the Harwich schools.

The Committee organized on March third. Mrs. E. James Leonard was unanimously chosen Chairman.

The resignation of Mr. Donald T. Bates, after many years of service on the Committee, due to business reasons was received with regret. Mrs. Frederick W. Crowell, Jr. was appointed to this position to finish out the year by the remainder of the School Committee and the Board of Selectmen.

The new High School was occupied on January sixth, and dedicated on March first. Since that time it has received full use by pupils and citizens' groups, including Town Meeting. The old High School, renamed "The Intermediate School" was occupied on the same date by grades five and six and the intermediate special class. The Committee is pleased to report that for the first time in many years there are unoccupied classrooms in all buildings.

The Brooks Academy Building was turned back to the Town, through the Board of Selectmen, on February first.

The School Committee approved a longer school day for the High School, allowing an enriched curriculum in household arts, shop, science and other courses. Foreign language was introduced in grades seven and eight. The staff was launched on a thorough study and revision of the curriculum.

The Committee sponsored an extensive Evening Adult Education Program. Two hundred and sixty-one persons were enrolled in October.

Summer school was conducted again on the elementary level and expanded to include work in arithmetic.

During the year the schools lost the services of Principal C. D. MacKay (retirement), Mrs. Ruth Nickerson (ill health), Miss Emily Wall (retirement), Dr. Harriet Chace (retirement) and Elementary Head Custodian C. S. Smith (retirement). This group individually and collectively gave many years of fine service to Harwich children.

Mr. Kenneth Abbott, Director of Guidance in Harwich and Chatham, was chosen to fill the position of High School Principal. The Committee made this choice after considering approximately twenty-five candidates.

Harwich has continued as a member of Massachusetts School Supervisory Union No. 16. Three Joint Meetings were held with the Chatham Committee on April 27, November 2, and November 16th respectively.

The groups agreed to separate the work in guidance and in elementary supervision in the towns. It was also agreed to add the services of an Elementary School Adjustment Counsellor on an equal share basis. State aid to be received for this position is \$4500 per year.

The Committees also agreed upon a revised salary schedule prompted by the increase, by the Legislature, in the state minimum teaching salary from \$4500 to \$5000 and the desire of the Committee to upgrade teaching in Harwich.

The Committee met with a representative of the Brewster Unofficial Space Needs Committee and later with the full Committee in regard to the possibility of taking Brewster pupils on a tuition basis in grades seven through twelve. The Harwich School Committee expressed itself as being favorable to such a request when and if presented by the Brewster School Committee.

The Buildings were kept in good repair: \$4500 was spent in weather-proofing the Elementary School. More has to be done in 1965. A new flag pole was erected. Some interior painting was done at the Intermediate School. At present repairs are in process on the heating plants of both elementary schools.

The Committee has administered the affairs of the Johnson Ulm Scholarship Fund. Scholarships of \$150 were awarded to nine graduates of the Class of 1964 for the school year 1964-1965.

Nineteen sixty-four has been a busy year and we trust a very productive year in the Harwich Schools. The expansion of the Curriculum, and the school plant due to a ten per cent increase in enrollment and to keep abreast of the times have taxed the resources of the School Committee, Staff and Citizens of the Community to the full.

The Committee looks forward to 1965 as a year of continuing growth in the Harwich Schools.

Respectfully submitted,

MRS. E. JAMES LEONARD, Chairman
REV. CHARLES H. MONBLEAU
MILTON L. CAHOON
V. JAMES NIKULA
MRS. FREDERICK W. CROWELL, JR.

Report of the School Building Committee

The Harwich Junior-Senior High School Building Committee dedicated the new School on Sunday, March 1, 1964. Representative Stephen Weekes of Harwich was the main speaker.

The School opened on January 6 with approximately 364 pupils from grades seven through twelve in attendance. The new facilities were enjoyed by pupils, teachers and citizens alike.

The Committee has met as necessary to take care of routine matters relative to completing the project.

During the year the plan, in addition to regular school day and evening use, has been available to recreational and civic groups, as well as for the citizens at town meetings.

The Adult Evening Education program has thrived in the improved climate and the excellent facilities.

Many of the thousands who annually visit Harwich from all corners of the world have viewed the school and expressed their admiration for its beauty and usefulness.

The Committee wishes to thank all those who have made contributions of time and funds through special gifts. The members are deeply grateful for those who helped to set up the Ada Lovering Library Fund, the Garden Club, the C. Conrad Nickerson Memorial Fund, The Abby Thompson Memorial (Dental Clinic), the Junior Woman's Club (Clinic furnishings), the Junior Chamber of Commerce (Gymnasium emblem), the Mondanite Club, Twenty Links Club, Adjutore Club, Central Cape Kiwanis, and to Milton H. Welt for painting the beautiful mural in the lobby of the Administration building.

Above all, the Committee wishes to express its appreciation to the townspeople for their support in making this structure available for the education of our Harwich children.

Report of the Superintendent of Schools

On January 6, 1964 the new Harwich Junior-Senior High School was occupied with 364 pupils, grades seven through twelve in attendance. The Brooks Academy Building had been closed the previous month—perhaps forever. The old High School, renamed the Intermediate School, housed grades five and six. The pupils in kindergarten through grade four remained at the Elementary School. Each of the three schools in use contained empty rooms, a most unusual situation in Harwich or any other town or city in the United States.

The following reports of the principals of the two schools describe the changes that have come about. Mr. Abbott discusses curricular changes. He also discusses the whereabouts of the members of the class of 1964.

The reports:

Report of Principal of the Junior-Senior High School

The beginning of school in September marked significant changes in the secondary school program due primarily to an extended school day and to the use of our new facilities for the entire school year. In the high school major programs are now available in Homemaking and Industrial Arts. Double laboratory periods have been scheduled in these subjects as well as for the sciences and commercial subjects so that the pupils will have an opportunity to engage in needed practical applications of textbook theory. More classroom time is being devoted in all classes of college preparatory mathematics, and English Composition is being taught once a week in all college sections of English.

In grades seven and eight oral French has been introduced while major subjects meet five times a week.

It is hoped that in the very near future it will be possible to offer an art major and to develop a sound speech program which would be required for all students in grade ten.

Guidance*

Seventy per cent of the forty-two graduates are continuing their education in two or four year college programs. They represent Harwich in the following schools: American International College, Bentley College, Bay Path Junior College, Bentley College of Accounting and Finance, Boston College,

Cape Cod Community College, Colby College, Cardinal Cushing College, Lesley College, Lowell Technological Institute, Massachusetts Maritime Academy, University of Massachusetts, Middlebury College, New Bedford Institute of Technology, Northeastern University, Tufts University and Wentworth Institute. Thirty students are in college, one is studying nursing, three are members of the armed forces and eight are working. Two seniors received major scholarships from the colleges they are attending.

Kenneth G. Abbott

* Harwich and Chatham no longer have a common Guidance Director. Due to the growth of the towns, each is to have its own. Principal Abbott is taking care of this work until February after which Mr. Frederick Dunford of Worcester will join the staff.

Report of Principal of the Elementary and Intermediate Schools

In January of 1964, a new high school opened in the Town of Harwich. This event marked the beginning of a big change in the organization of the elementary schools of this town. Not since the consolidation of the small elementary schools in 1949 has there been more than one school at the elementary level.

The Harwich Elementary School had for some time been feeling the pinch of cramped space. Music lessons were taught in closets, speech and developmental reading in offices, and many other lessons in whatever space was available.

With the opening of the new high school and the vacating of the old, we were able to adapt the building to the needs of the children of the fifth and sixth grades.

During the Christmas vacation of 1963 the transition was made with custodians, teachers, principal and children helping in many ways to make the move possible with a minimum of confusion and lost time.

Out of the closets, out of the offices, out of the various and sundry other areas came the pupils and teachers to move into their new quarters.

Space is now no longer a problem.

Attention was then turned to the task of revising, rebuilding the curricula in the various subject areas from kindergarten through grade twelve. The high school as well as elementary and intermediate school teachers took their places and began to work out this long term project. Many meetings

and planning sessions have been held during this year. The work has now progressed to the point where recommendations are being presented to the School Committee.

It is the hope of all concerned that this work will be most helpful in the years to come for all of the children of Harwich.

The work of the school year has progressed most satisfactorily. The teachers are constantly striving to improve their work in order to improve the education of the children in their care.

I wish to express the appreciation of the entire school staff for the fine cooperation of the parents, School Committee, and townspeople with the school program.

Donald C. Nesmith

Health

Reports from Dr. Briggs, Dr. D'Elia and our School Nurse Miss Peabody describe the work in the health department. Dr. Briggs reports 212 examinations and literally hundreds of treatments.

The completion of the Abby Thompson Memorial Dental Clinic allowed a division of time between the Elementary and High Schools. We wish to express our gratitude to Dr. Raddin of Orleans and Dr. Phillips of West Harwich, who made generous donations of instruments and supplies.

Dr. D'Elia has taken over all of the work as school physician formerly done by Dr. Orchard, who, to our great regret, was forced through ill health to retire, and Dr. Albright, who moved from town.

Diphtheria boosters were given the first and fifth grades. Tetanus and whooping cough clinics were conducted.

All regular, spaced physical examinations were given as well as the examination of all candidates for athletic teams. Our dental program was reinforced through the cooperation of a tooth paste manufacturer.

The high school boys and girls participated in the usual Cape sports, establishing outstanding records in basketball and baseball. Properly conducted, school team sports are a valuable part of a physical-fitness program. They are valuable in direct proportion to their suitability for the age group in which they are introduced, the care with which they are supervised, and the numbers who participate. The whole health program; dental, health clinics, health education, sports and physical education, are the basic foundation on which a good school is developed.

Music, Art, Household Arts, Physical Education

During the past ten years the enrollment in the schools has steadily increased. During this time the teaching time allowed for physical education has remained the same. During this time provision for more household arts teaching has been increased by one-tenth of a teaching position. Art supervision has been doubled. Vocal Music supervision time has remained the same for eight years. Now that space is available, the Committee has budgeted limited funds to increase physical education and vocal music by one day each week, household arts two days and art five days. In the interest of economy most of these changes will not be made until September.

Reading

Reading is a basic tool in school. If we could teach all children to read well in the primary grades, most of our problems would be over. Our reading teacher, Mrs. Alcock discusses this very important work:

Report of Teacher of Remedial and Developmental Reading

The special reading services in the Harwich School System include group and individual work in remedial, corrective and developmental reading. These services are extended to students from Grades 1 through 12 on the basis of need, as evidenced by the discrepancies between their ability and achievement, and teachers' recommendations. Sixty-four elementary students meet in small groups three times a week in periods of 20-30 minutes each. Thirty-nine Junior-Senior High School students meet twice a week for fifty-minute periods.

In the lower grades the emphasis is on the phonetic approach to reading, with a review of this and other word analysis skills as needed throughout the program. Beginning at once in the lower grades but with ever-increasing importance, the emphasis is on reading for understanding, comprehension. Assistance is given in relating this directly to the students' reading requirements for the content area subjects. Vocabulary study is continued throughout all grade levels. Rate improvement is encouraged in the upper grades and high school so that students may learn to suit their reading rate to the material and to the purpose for which it is being read. Over a period of time it is anticipated that the number of high school students needing remedial or corrective reading will decrease and more time will be devoted to developmental assistance.

The new facilities provided through the building program are very much appreciated. They make possible much more efficient use of the special equipment and, along with the lengthened school day, enable us to provide more time for the junior high school students.

JANE D. ALCOCK

Music

The new High School and the increased space in the elementary school should greatly improve our music program.

Mr. Piccolo says, "by using practice rooms, music rooms and auditorium, it is possible to accommodate four practice groups during a class period." — "The combined Chatham-Harwich orchestra entered festival competition and earned an honorable mention award." — "The Cape Cod Music Festival will be held in Harwich this year."

Mr. Tileston makes a comment that has in it much food for thought. He says, "with the type of music that teen-agers are virtually going all out for due to the Beatles craze and the music that is on station WINS all day, it is increasingly difficult in many cases to make them 'digest' what we have to give them."

Mr. Griffiths says "after three hectic years of space shortage and curriculum changes, I am again optimistic." — "With 103 new beginners this year in a present total of 165 instrumental students in our elementary grades, we feel that the cycle is now on the up-beat."

Mrs. McKenney reports: "When the intermediate grades began singing music by sight and in harmony they themselves realized and appreciated the value of their note reading background, and know it is a valuable accomplishment and a joy which no one can ever take away from them." — "Unfortunately due to a very crowded schedule there was no room for the kindergarten." —

The towns of Chatham and Harwich have four persons giving instruction in Music. All work in both Towns. It would appear that the time has come when this work could be separated to the advantage of each community. At least loss of time through travel would be eliminated. Since the position of Union Elementary Supervisor has been abolished, this would leave only the Speech position as a joint teaching position.

Attendance

Mr. Arthur Holmes has done his usual excellent job in caring for attendance and issuing of work permits.

Evening School

This fall approximately 261 adults are enjoying evening school classes in the state-aided vocational and liberal arts tuition courses. The facilities of the new High School have made the work more enjoyable and profitable. The School Committee is fortunate in having a very helpful advisory committee composed of Mrs. Ruth Titus, Chairman; Miss Adelyn Peabody, Mrs. Beth Cahoon, Mrs. Eileen Cahoon, Mrs. Evelyn Strout and Mrs. Beatrice Taylor. The Committee has helped to organize the program. Following is the list of classes reported by Mrs. Ruth Moody, Assistant to the Director:

- Vocational Education: — Beginning & Advanced Sewing
Tailoring
Cake Decorating & Party Refreshments

Budget and Salary Schedule

The 1965 School Budget was increased about 11.5% over the previous year, much less than the increase in 1964 over 1963. Much of this was due to additional personnel added either in 1964 or planned for September 1965. There was almost a 10% increase in the numbers of pupils enrolled last September. The budget increase is only slightly greater than this figure. The new salary schedule was partly the direct result of the act of the Legislature in increasing the legal minimum salary from \$4,500 to \$5,000. This, in effect, required every community to increase its salary schedule by at least \$500 from bottom to top to keep its original position competitively. There is still a great scarcity of good teachers in almost every subject matter field. The cost of living is steadily rising. Harwich has a very experienced, strong teaching staff. If it is to be kept so a good schedule must be maintained.

In 1964 all of the new teachers engaged are doing well. We must constantly keep in mind that the quality of the teaching staff is the basic factor determining the excellence, or lack of it, in a school system.

1965 and the Future

Next year, 1965, will be the beginning of an exciting and important period for the schools of the Commonwealth! The \$250,000 Harrington Report, authorized by the Legislature, has just been completed and a summary released. This document should be required reading for every man and woman in Massachusetts. The report, with its observations and 111 recommendations, calls for sweeping changes in the Massachusetts program of support for grade, high school and vocational schools, as well as institutions of higher learning. For your consideration, and more important, for the public, I am including some observations and recommendations from the report.

Some Observations of the Commission

“The Commonwealth’s public elementary and secondary school enrollment has increased by almost 29,000 students annually for the last ten years, and an annual increase of 30,000 can be expected for the next ten years.”

“A reduction of one per cent* a year in Massachusetts could produce in four years, a growth of 10,000 in absolute enrollment.”

* In the drop-out rate.

“The state supports twenty-two institutions of higher education.”

“Currently, some 28,500 students are enrolled in public institutions of higher learning in the Commonwealth.”

“In 1900: 147; in 1950: 9,307; in 1960: 17,000.”

“Total state enrollment 140,000*, of which 78 per cent is in private colleges and universities.”

* higher education

“If the Commonwealth’s community colleges fulfill their potentials as truly comprehensive colleges for commuting students, their anticipated growth can outstrip all others.”

“The Department of Education as now constituted, lacks effective means and authority to fill, initiate, develop, and implement the policies of the Board of Education. Legislative changes are required to rectify this situation.”

“Fully one-third of the 250 high schools operate on a school day of less than 5½ hours, net.”

“The School Committee is the public’s local agency for establishment of policy. All powers now theirs, should be retained, etc.”

"Today, there are 391 school districts for 351 cities and towns; it is not unheard of for some districts to be so small a teacher has but three or four pupils."

"No civic contribution is greater than that made by active School Committeemen. No civic undertaking has greater significance than public education. Broad representation on committees of the people of the community strengthens the people's schools. A representative group of local citizens, dedicated and wise, can form the living heart for each community in the Commonwealth."

"It is anticipated that improved standards in curriculum development and in services to schools as well as in the provision of educational media and materials shall be met through greater participation of the state in financing of elementary and secondary schools."

"The needs of pupils enrolled in special education are: first, those of all children, secondly those of children with specific learning disabilities."

"In 1962, Massachusetts stood seventh among the fifty states in per capita income."

"Massachusetts' contribution to school construction through appropriations to the School Building Assistance Commission has risen from slightly under \$2.5 million in 1953 to approximately \$17 million in 1963."

"Expenditures* rose from four and three quarter million dollars to thirteen and one-quarter million dollars for this service." — (Note: Transportation 1952 to 1962)

"For 1965-66 an additional ninety-one million dollars will be needed to provide full payment on the State Aid formula. Another seven million will be required for categorical and incentive aid; and an additional twenty-five million dollars will be required to provide for improvement in higher education and expanded scholarship program."

"Education is essentially qualitative in character and personal in nature. The teacher-learning situation is a matter of interaction whether carried on as independent study or as group work. Thus the competence, depth and personal integrity of the teacher is the single, most critical factor in an educational program of quality."

"May the present opportunity for greatness be grasped by the Commonwealth, for in the words of Horace Mann, 'No community should rest contented, being superior to other communities, while it is inferior to its own capabilities.' "

Some Recommendations

1. Abolish present State Board of Education
2. Create a lay Board of Higher Education of 11 members*
(* Note — no educators)
3. Create a lay Board of Public School Education, mainly for elementary and secondary education — (no educators)
4. Create Advisory Council on Education for research and continuous study of the educational needs and programs in the Commonwealth.
5. An Advisory Committee to the Board of Higher Education (made up of professional educators from institutions of higher education, the Commissioner of Education and the Director of Research for the Advisory Council on Education).
6. No appointee to the Board* shall be employed by or derive compensation from any educational institution or from the Commonwealth itself, or be currently serving on any board of trustees of institutions of higher learning, or groups of such institutions, or on school committees.
(* Note — Board of Public School Education)

“The Board of Public School Education shall be given the statutory power to withhold financial aid from school districts which do not comply with the minimum standards — etc.”

“The school year shall consist of 185 days of actual school attendance —.”

“School districts shall provide a half day of Kindergarten for 185 days — attendance permissive.”

“Compulsory education age for mandatory attendance shall be set at six with upper age to age seventeen within two years and to age eighteen within four years (unless students have graduated from high school).”

“The Board of Public School Education shall provide State Aid for adult evening schools, special education, compensatory education, occupational education and in-service education.”

“Appropriate and adequate opportunities should reach all children who need special education services.”

“The Board of Public School Education shall formulate a policy to encourage compensatory education for its Commission of Education to implement through the Department of Public School Education.”

"Consolidation of school districts shall eventuate in all school districts encompassing grades K-12 with not less than 1,200 elementary pupils and a high school graduating class of 100."

"The teaching of appropriate materials in each grade level of Kindergarten-Grade 12 curriculum from all eight of the following fields should be required:

language arts	foreign language
mathematics	fine arts
science	occupational education
social sciences	health and physical education

"Library resources shall be available in every school to all children and youth."

"Vocational education should be brought into line with occupational needs."

"A Bureau shall be created within the State Department of Public School Education to coordinate and to provide leadership for all programs for the handicapped."

"Attention must be given to analyzing and determining policies related to pupil transportation. The great variations in our pupil costs for this service should be evaluated and policies and controls established that will set maximum state reimbursement limits."

"A state-wide building program should be developed to provide for replacement of the school facilities erected prior to 1900."

"The School Building Assistance Commission should be transferred to the Department of Public School Education —."

"Full assessed valuations should be used as the tax base for aid to education."

"Educational standards established by the Board of Public School Education should be met and adhered to as a condition for the transmittal of state aid funds."

"A substantially increased program of state scholarship to aid youth qualified for higher education."

This report could and should have a strong impact on our state system of education. Far reaching changes could come from it. Nineteen hundred and sixty five could be one of the most important years in the history of education in Massachusetts. We look forward expectantly to it.

J. J. MORGAN
